| 6 | Workgroup Findings | Steven Lazarus |
| | <p>Steven indicated a report on the workgroup’s findings should be completed by the group in the next several months. The goal is to have a draft by mid-November, a final report by December 1st, and then have several members speak on the findings at the December Health Care Cabinet meeting. The group may be required to meet in between meetings to discuss topics and finalize the report.</p> <p>Steve and Ron provided a list of topics from the workgroup’s past meetings with the intention of summarizing the main issues discussed by the group over the last year. During the meeting, discussions took place and additional items were added to this list. Steve and Ron will combine some of these items and provide a link to the workgroup members so they can access the updated list. Everyone can then provide comments and Steve and Ron will use the document to begin drafting the workgroup’s report.</p> <p>For more information, please see the meeting recording link on the October 13, 2022, Physician Practice Workgroup page noted below.</p> <p>https://portal.ct.gov/OHS/Content/Health-Care-Cabinet/Physician-Practice-Workgroup/Meeting-Agendas</p> <p>Steven Lazarus thanked everyone for their comments.</p> | |
