<tr>
<td>• Expand the use of shared savings program payment models amongst all payers so that more providers are rewarded for providing better quality care at a lower cost</td>
</tr>
<tr>
<td><strong>Care Delivery Reform</strong></td>
</tr>
<tr>
<td>• Help providers succeed in shared savings program models by helping them provide more effective primary care, better manage patients with complex health conditions, use data to identify and address health disparities, and better identify and address behavioral health problems</td>
</tr>
<tr>
<td><strong>Consumer Engagement</strong></td>
</tr>
<tr>
<td>• Engage consumers by creating smarter Value-Based Insurance Designs that engage consumers in preventive health, chronic care, and choice of high value providers</td>
</tr>
<tr>
<td>• Measure and reward care experience and provide consumers with a public scorecard, a tool that enables them to choose a provider based on quality</td>
</tr>
<tr>
<td><strong>Health Information Technology</strong></td>
