Section B. 9. Inquiry Procedures – Revision: The Office of Health Strategy has extended the deadline to submit questions related to this RFP to 5:00 pm Wednesday, July 27, 2022.

All questions regarding this RFP or the Agency's procurement process must be directed, in writing, electronically, (e-mail) to the Official Contact before the deadline specified in the Procurement Schedule. The early submission of questions is encouraged. Questions will not be accepted or answered verbally – neither in person nor over the telephone. All questions received before the deadline(s) will be answered. However, the Agency will not answer questions when the source is unknown (i.e., nuisance or anonymous questions). Questions deemed unrelated to the RFP or the procurement process will not be answered. At its discretion, the Agency may or may not respond to questions received after the deadline. If this RFP requires a Letter of Intent, the Agency reserves the right to answer questions only from those who have submitted such a letter. The Agency may combine similar questions and give only one answer. All questions and answers will be compiled into a written amendment to this RFP. If any answer to any question constitutes a material change to the RFP, the question and answer will be placed at the beginning of the amendment and duly noted as such.

The official contact for this Request for Proposal is Laura Morris and questions must be submitted electronically to laura.morris@ct.gov by 5:00 pm Wednesday, July 27, 2022
