OHS Participates In Healthcare Community Forum Hosted By Save Sharon Hospital

Please join the Office of Health Strategy (OHS) on Thursday, June 27 at a community forum hosted by Save Sharon Hospital. OHS community outreach staff will discuss the agency's mission as the statewide health strategy body, explain the Certificate of Need regulatory process and the state's online information portal, and answer questions related to the recent Sharon Hospital acquisition. This is a great opportunity for community members to discuss healthcare issues facing the state and region, and to stay connected to healthcare system decision-making.

All Sharon community members are invited to attend.

Thursday, June 27, 2019

4 p.m. – 5:00 p.m.

Sharon Town Hall

63 Main Street, Sharon, CT

Stay [connected](#) to OHS through our news briefings. Sign up on our [homepage](http://portal.ct.gov/ohs): portal.ct.gov/ohs
