**RE: Yale New Haven Health Services Corporation Annual Report Concerning
Affiliations with Hospitals or Hospital Systems required pursuant to P.A. 15-146**

Dear Attorney General Jepsen and Commissioner Pino:

Attached please find the Annual Report of Yale New Haven Health Services Corporation ("YNHHSC") Concerning Affiliations with Hospitals or Hospital Systems ("Annual Report"), which is submitted as a Hospital System pursuant to P.A. 15-146 ("Statute").

With respect to this YNHHSC submission, please be aware of the following:

Consistent with the convention followed in YNHHSC's previous reports, the attached YNHHSC Annual Report reflects data for all affiliated hospitals and affiliated hospital locations during the period of October 1, 2016 through October 31, 2016. For example, if services were provided at an affiliated hospital location prior to October 1, 2016 and services continued to be provided during the month of October, that location is included in this report. However, if an affiliated hospital location was closed prior to October 1, 2016, that location would not be included in this report. Similarly, if services at an affiliated location terminated between November 1, 2016 and the date of this letter, but services were provided in the month of October of 2016, that affiliate location is included in this report.

Very truly yours,

William J. Aseltine
Senior Vice President and General Counsel

Annual Report
Describing Each Affiliation with another Hospital or Hospital System
Summary of Instructions

Section 27 (i) of P.A. 15-146, AN ACT CONCERNING HOSPITALS, INSURERS AND HEALTH CARE CONSUMERS (the "Act"), effective October 1, 2015, requires that each hospital and hospital system shall file with the Office of the Attorney General and the Commissioner of Public Health a written report describing each affiliation with another hospital or hospital system.

The Annual Report must be filed with the Office of the Attorney General ("OAG") and with the DPH Office of Health Care Access ("OHCA") no later than December 31, 2015 and annually thereafter.

This file includes the Excel spreadsheets needed to fulfill the Annual Reporting requirement. There are three tabs (Instructions, General Info. and Affiliate Details) that all must be completed. Further instructions are provided on the individual tabs. The file should be electronically submitted in two formats, Excel and PDF, to the following email address: AffiliationFiling@ct.gov

Key Definitions:

- "Affiliation" means the formation of a relationship between two or more entities that permits the entities to negotiate jointly with third parties over rates for professional medical services;
- "Hospital" has the same meaning as provided in section 19a-490;
- "Hospital system" means: (A) A parent corporation of one or more hospitals and any entity affiliated with such parent corporation through ownership, governance or member ship, or (B) a hospital and any entity affiliated with such hospital through ownership, governance or membership;
- "Primary Service Areas" ("PSAs") are defined by a set of postal zip codes. The Act defines PSA to mean "the smallest number of zip codes from which the group practice draws at least seventy-five per cent of its patients."
