**Annual Report
Concerning Ownership of, or Affiliation with Group Medical Practices
Summary of Instructions**

Sections 1(f) and (g) of P.A. 14-168, AN ACT CONCERNING JOINT VENTURES AND AFFILIATIONS OF GROUP MEDICAL PRACTICES (the "Act"), effective October 1, 2014, require that hospitals, hospital systems, and group medical practices comprised of thirty or more physicians ("filers"), submit to the Attorney General ("OAG") and to the Department of Public Health ("DPH") an Annual Report providing information concerning the filers, and group practices that may be owned by or affiliated with the filers.

The Annual Report must be filed with the Attorney General and with the DPH Office of Health Care Access ("OHCA") no later than December 31, 2014 and annually thereafter.

This file includes the spreadsheets needed to fulfill the Annual Reporting requirement. There are three tabs (Medical Practices, Physician Name, and Business Entity) that all must be completed. Further instructions are provided on the individual tabs. The file should be electronically submitted to the following email address:

GroupPracticeFilings@ct.gov

Key Definitions:

- (1) "Affiliation" means the formation of a relationship between two or more entities that permits the entities to negotiate jointly with third parties over rates for professional medical services;
- (2) "Hospital" has the same meaning as provided in section 19a-490 of the general statutes;
- (3) "Hospital system" means: (A) A parent corporation of one or more hospitals and any entity affiliated with such parent corporation through ownership, governance or membership, or (B) a hospital and any entity affiliated with such hospital through ownership, governance or membership;
- (4) "Group practice" - please reference the P.A. 14-168 section 1(a)
- (5) "Primary service area" means the smallest number of zip codes from which the group practice draws at least seventy-five per cent of its patients.

Primary Service Areas ("PSAs") are defined by a set of postal zip codes. The Act defines PSA to mean "the smallest number of zip codes from which the group practice draws at least seventy-five per cent of its patients."
