

(September 24, 2009) GROTON, Conn. - As Secretary of the Navy Ray Mabus, and members of the Connecticut State legislature look on Governor Jodi Rell signs letter allotting 7.65 million dollars from the state to make improvements across Naval Submarine Base New London. The money will be used to build a new dive locker and replace the aging boiler at the SUBASE power plant. U.S. Navy photo by MC1(AW) Peter D. Blair
