FROM: Acct. No. 21014-OTT14230-99999
TO: Acct. No. 21014-OTT14230-43548

REASON FOR REQUEST:

These funds are requested to provide a reallocation of funds from the Clean Water Fund State Account to the Drinking Water Fund State Account to meet the State match for the federal capitalization grants for the State's Drinking Water Program. These funds are requested to provide loans to various public water systems in accordance with Section 22a-478 of the Connecticut General Statutes to assist in Drinking Water State Revolving Fund project costs. The Department of Public Health will disburse the funds to drinking water projects as outlined in the Drinking Water Priority List of Projects when each individual project is ready to proceed.

The funds are available from an allocation by the State Bond Commission on April 2, 1993 to the City of Bridgeport for the West Side Wastewater Treatment Plan. This project has been completed and the City of Bridgeport is currently making loan repayments. These repayments are typically used to pay debt service on bonds issued by the Clean Water Fund (the "Fund"). Due to the restructuring of the Fund, these monies are available for the purpose of meeting the State match for the Drinking Water Program.
