Total Earmarking	\$10,000,000
Previous Allocations	-0-
Balance Unallocated	<u>\$10,000,000</u>

**REASON FOR REQUEST:**

These funds are requested, along with those under items 41 and 45, to provide supplemental funding for the municipal open space grant-in-aid program established under Sections 7-131d to 7-131g, inclusive, of the General Statutes, as amended.

The funds will be used to provide grants to municipalities, nonprofit land conservation organizations and water companies to acquire land or permanent interest in land for open space and watershed protection. Properties acquired under this program will have a conservation and public access restriction placed on the land. The easement/restriction will, where allowable, ensure that the land will remain in open space and be accessible to the general public. The easement will run with the land in favor of the State.

All land or interest in land will be established via an appraisal(s) and appraisal review to establish the fair market value. Approved projects will then receive grants in accordance with Section 7-131d.

On or before the tenth day of each month, the Commissioner of Energy and Environmental Protection shall submit a report to the Joint Standing Committee of the General Assembly having cognizance of matters relating to finance, revenue and bonding and to the State Bond Commission which report shall provide information on any acquisition of land or interest in land completed in the previous month by the State, a municipality, water company or nonprofit organization using funds authorized for the Open Space and Watershed Land Acquisition Program established under Section 7-131d of the General Statutes, as amended, and the Recreation and Natural Heritage Trust Program established under Sections 23-73 to 23-79, inclusive, of the General Statutes.

**REASON FOR REQUEST:**

These funds are requested, along with those under Items 10 and 45, to provide supplemental funding for the municipal open space grant-in-aid program established under Sections 7-131d to 7-131g, inclusive, of the General Statutes, as amended.

The funds will be used to provide grants to municipalities, nonprofit land conservation organizations and water companies to acquire land or permanent interest in land for open space and watershed protection. Properties acquired under this program will have a conservation and public access restriction placed on the land. The easement/restriction will, where allowable, ensure that the land will remain in open space and be accessible to the general public. The easement will run with the land in favor of the State.

All land or interest in land will be established via an appraisal(s) and appraisal review to establish the fair market value. Approved projects will then receive grants in accordance with Section 7-131d.

On or before the tenth day of each month, the Commissioner of Energy and Environmental Protection shall submit a report to the Joint Standing Committee of the General Assembly having cognizance of matters relating to finance, revenue and bonding and to the State Bond Commission which report shall provide information on any acquisition of land or interest in land completed in the previous month by the State, a municipality, water company or nonprofit organization using funds authorized for the Open Space and Watershed Land Acquisition Program established under Section 7-131d of the General Statutes, as amended, and the Recreation and Natural Heritage Trust Program established under Sections 23-73 to 23-79, inclusive, of the General Statutes.

REQUESTED: Use of Previously Allocated Funds Available \$2,570,945

FROM: Sec. 28 Acct. No. 12063-DOH46900-40237

REASON FOR REQUEST:

The February 16, 2018 State Bond Commission approved funding for a loan from the Department of Housing to Murray on Main Street, LLC for \$2,570,945 to assist with the redevelopment of 699 Main Street in Willimantic into 20 units of rental housing, with 17 units income restricted as affordable.

The purpose of this request is to change the use of previously allocated funds for 20 units, with 17 restricted as affordable to approximately 16 units, all restricted as affordable. The original plans included four top floor units and the State has determined that lighting and egress requirements could not be met in this attic space.
