The aggregate amount of Community Conservation Development Bonds authorized to date pursuant to Section 21(a) of Public Act No. 79–607 and unissued to date, including the $449,000 authorized by this resolution, is $315,710,663.74. Bonds in the principal amount of $1,490,611,209.26 (Series A through Series XX), have previously been issued.

Section 2. The form, date, maturities and other details of such authorized but unissued bonds shall be hereafter determined by this Commission or by the State Treasurer acting in accordance with procedures to be established by this Commission.

Under Section 21(b)(6)(B) of the above-mentioned Public Act, the State Bond Commission voted to approve a request of the Department of Energy and Environmental Protection for the reauthorization of unexpended funds in the aggregate amount of $500,000. Said previously allocated funds are available from funds approved at the July 21, 2020 State Bond Commission meeting (Item 34(II)(L), Request 1468) to provide a grant-in-aid to the Town of Newington to finance Phase VII of the long-term Newington Town Center Streetscape Program. Under Section 21(b)(6)(B) of the above-mentioned Public Act, the State Bond Commission voted to approve a request of the Department of Energy and Environmental Protection for the reauthorization of unexpended funds in the aggregate amount of $100,000. Said previously allocated funds are available from funds approved at the July 21, 2020 State Bond Commission meeting (Item 34(II)(M), Request 1469) to provide a grant-in-aid to the Town of South Windsor to assist with repairs to parking lot for Union District School/Wood Memorial Library and Museum. The purpose of this request is to reallocate and increase the funds to finance HVAC upgrades to the facility.

(Item 9)
Subsection (z) to Connecticut General Statute 3–20, State General Obligation Procedure Act provides that “Notwithstanding any provision of the general statutes or any public act or special act, upon the request of any proposed recipient for a grant for a program or project within the state to be financed by bonds issued pursuant to this section, and subject to the approval of the State Bond Commission and the Treasurer, such grant may be made to a qualified community development entity, or to a partnership, limited partnership, limited liability company or other business entity investing exclusively in a qualified community development entity, provided substantially all of the proceeds of such grant are made available to such proposed recipient to finance such project, or to any reinvestment in such project following a foreclosure brought against such proposed recipient or any affiliate of such proposed recipient on such project. For purposes of this subsection, “qualified community development entity” means an entity certified as a qualified community development entity pursuant to Section 45D(c)(1) of the Internal Revenue Code of 1986, or any subsequent corresponding internal revenue code of the United States, as amended from time to time, that has received an allocation of new markets tax credits available for qualified low-income community investments in the state under Section 45D(f)(2) of said Internal Revenue Code.”

By directly or indirectly funding the qualified community development entity, the grant can support the issuance of federal new markets tax credits to provide additional funding of the subject project. On July 25, 2018 the State Bond Commission, at the request of the Office of Policy and Management, approved a grant-in-aid in the amount of $10,000,000 to assist with development of a new 52 bed, 43,800 sq. ft. Recovery and Wellness Center for substance abuse patients. Cornell Scott Hill Health Center Corporation has requested pursuant to subsection (z) of Section 3–20 of the Connecticut General Statutes that the grant proceeds be made available to Cornell Scott Hill Health Center Corporation, or an affiliate, to make a loan to an investment fund which shall use such proceeds to fund one or more qualified community development entities which in turn will make available to Cornell Scott Hill Health Center Corporation, or an affiliate, substantially all of the grant proceeds to fund the Project. The transfer of grant proceeds to the investment fund prior to their transfer to the qualified community development entities is required by the federal rules governing new markets tax credits to maximize the funding ultimately available to the Project.

After review and discussion, upon motion made, the Commission adopted the following resolution:

Resolution of the State Bond Commission pursuant to the request of Cornell Scott Hill Health Center Corporation that the grant proceeds in the amount of $10,000,000 (the “Cornell Scott Hill Health Center Corporation Grant”) to assist in the development of a new 52 bed, 43,800 sq. ft. Recovery and Wellness Center for substance abuse patients (the “Project”) be made available to directly or indirectly fund an investment fund which will invest such proceeds in a qualified community development entity which will make such proceeds available to Cornell Scott Hill Health Center Corporation, or an affiliate, to finance the Project, pursuant to Subsection (z) of Section 3–20 of the Connecticut General Statutes and to approve the direct or indirect transfer of the proceeds of the grant to a qualified community development entity in the manner described above. In the event the new markets tax credit transaction does not proceed as anticipated, that the approval of the use of the grant proceeds directly as set forth in the original authorization remain effective.

(Item 10)
Upon motion duly made and seconded it was unanimously voted to adopt the following:

RESOLVED, (1) that the requests and certificates and the appropriate resolutions to effect the bond authorizations approved today are hereby approved and adopted; (2) that the resolutions and the State Treasurer’s certificate as to state indebtedness made in accordance with section 3–21 of the general statutes, as amended, be made a part of the record of today’s meeting; (3) that the State hereby declares the official intent of the State required pursuant to Section 1.150–2 of the Federal Income Tax Regulations, Title 26, and, if applicable, pursuant to section 54A(d) of the Internal Revenue Code of 1986, as amended, with respect to each of the agenda items approved today, to the effect that the State reasonably expects to reimburse from the proceeds of borrowings, including qualified tax credit bonds, any and all expenditures paid from the bond fund accounts designated and functionally described in each such agenda item or bond authorization resolution, in an amount anticipated not to exceed the amount of the authorization contained in such item or bond authorization resolution, and that the Secretary of the Office of Policy and Management and the Treasurer are authorized to amend this declaration of official intent on behalf of the State for any such item; and (4) that the State Treasurer is authorized to make representations and enter into agreements to provide secondary market disclosure information with respect to borrowings by State authorities or other entities, or by the State itself, in connection with which the State may be an obligated party under Rule 15c2–12 of the Securities and Exchange Commission.
