Subject: New Monthly Reporting Requirement – Nonappropriated Funds

Public Act 09-7 of the September Special Session (language attached) amended CGS 4-77 to require that the head of each budgeted agency complete a monthly accounting of nonappropriated funds.

The Office of Policy and Management has worked with the Core-CT development team to produce a report that is intended to assist in meeting this new statutory requirement. The Core-CT report format will become available during August, 2010, and can be used for production of the first monthly report which will be for the month of July, 2010. The July, 2010, report is due to OPM and to the Office of Fiscal Analysis **not later than August 30, 2010, with subsequent monthly reports due by the 20th day of each month thereafter**. Please follow the Core-CT job aid at (<http://www.core-ct.state.ct.us/reports/finentries.asp?minorCat=General+Ledger>) to produce the Non-Appropriated Cash Status Report (CTGLR17174). Following the production of the Core-CT report on/about the 15th of each month (to include all prior-month adjustments), several additional steps are necessary for you to complete the status report:

1. Agencies must complete the columns for anticipated expenditures to year end and anticipated revenues to year end. These should represent the agency's best projection for the period from the beginning of the month during which the report is due through the end of the state fiscal year. (For example, the report due on August 30th should include actuals for July and projections for August through June.) In projecting revenue, agencies should only include projected cash receipts, and should not include receivables or any other type of non-cash asset.
2. The report must include all nonappropriated funds, but may exclude the following:
 - a. Pension funds (fund codes in the 31000 series)
 - b. Bond funds and associated debt service (funds in the 13000, 14000 and 17000 series)
 - c. Client funds and petty cash (asset accounts in the ranges 10111 to 10196, 10801 to 10839, and 10950)
 - d. 12030 – Spec Assess Unemployment Comp
 - e. 12050 – Local Capital Improvement
 - f. 12051 – Capital Equipment Purchase Fund
 - g. 12052 – STEAP – Grants to Local Governments & Others
 - h. 12053 – Economic Development & Other Grants

- i. 34001 – Fines Awaiting Distribution
- j. 34003 – Funds Awaiting Distribution
- k. 34005 – Fringe Benefit Recovery
- l. 34008 – Alternate Retirement
- m. 34010 – Agency Trustee Accounts
- n. 35011 – Soldiers, Sailors, and Marines Fund
- o. 35012 – Various Treasurer Trust Funds
- p. 35014 – Unemployment Compensation Fund
- q. 91503 – Other Treasurer’s Trust Funds
- r. 93101 – Retired Teach Health Ben Plan
- s. 93201 – Investment Trust Fund
- t. 93301 – Escheat
- u. 93405 – Other Treasurer’s Trust Funds
- v. P1000 – Political Subdivisions Fund

Agencies should add additional rows to the spreadsheet for any nonappropriated funds that are not maintained in Core-CT and should fill out all fields for any such account.

Agencies that are out-of-scope for Core-CT financials will need to complete the nonappropriated funds status report manually. Contact your assigned OPM budget analyst for the report template.

Please direct any questions regarding this new reporting requirement to your assigned OPM budget analyst.
