

Preparing Workers for Life

January 21, 2020

Dear Local Business Leader:

The 2020 Greater Hartford Reentry Job Fair will take place Tuesday, April 7, from 9:00 AM through 1:00 PM at the Chrysalis Center, 255 Homestead Avenue, Hartford. This free, invitation-only event will connect employers and work-ready returning citizens seeking jobs.

Finding ideal employees can be challenging for employers. At this event, employers can expect to interact with qualified, well-prepared, job-ready candidates with certifications who are eager to join the workforce. To further promote the success of job fair applicants, resource providers will be available to provide options for individuals ready to start the next chapter of their lives.

You might wonder, "Why should I consider hiring a returning citizen?" The reasons are many and include:

- added loyalty to your organization as the result of appreciation for the job opportunity;
- increased longevity and dedication, resulting in decreased turnover;
- potential eligibility for incentives; and,
- increased engagement with the community.

It is our goal to attract quality businesses with open positions available for returning citizens. Your commitment to offer these opportunities to job-ready candidates will help to empower these individuals as they work to rebuild their lives.
