

**DESPP (2 projects) has provided the following answers to the questions that were asked from their meeting with the IT Investment Fund Committee on 7/10/13:**

**Criminal History Modernization Project**

1. To the extent possible, provide detail statistics (monthly and/or annual) on the number of background checks conducted through MNICCH and the approximate number (percentage) that require fingerprints (e.g. AFIS)

<u>Period Covering</u>	<u>Fingerprint Supported</u>	<u>Non-Fingerprint Supported</u>	<u>Total</u>	<u>% of Fingerprint Supported Searches</u>
7/1/10 – 6/30/11	49,459	38,387	87,846	56%
7/1/11 – 6/30/12	45,666	35,638	81,304	56%
7/1/12 – 6/30/13	68,520	30,179	98,699	69%
Total:	163,645	104,204	267,849	61%

2. What percentage of fingerprints are done via Livescan vs. Ink (e.g. Rolled)

**APPLICANT FINGERPRINTS PROCESSED BY THE FINGERPRINT UNIT**

**FY 2010-2011**

Received & Processed via USPS	59,473
Received & Processed via Live Scan (Electronically)	12,377
Total Received and Processed	71,850
	17% were received electronically
	83% were received via USPS or dropped off at SPBI

**These totals do not include the 20,198 criminal cards received via the USPS and processed or the 116,027 criminal cards processed electronically.**

**FY 2011-2012**

Received & Processed via USPS	62,121
Received & Processed via Live Scan (Electronically)	12,070
Total Received and Processed	74,191
	16% were received electronically
	84% were received via USPS or dropped off at SPBI

**These totals do not include the 17,268 criminal cards received via the USPS and processed or the 90,763 criminal cards processed electronically**

**FY 2012-2013**

Received & Processed via USPS	69,745
Received & Processed via Live Scan (Electronically)	12,960
Total Received and Processed	82,705
	15.5% were received electronically
	84.5% were received via USPS or dropped off at SPBI

**These totals do not include the 8,778 criminal cards received via the USPS and processed or the 86,025 criminal cards processed electronically**

3. Describe how other agencies (e.g. DMV, DCP, DPH, local PD's, etc.) will have self-service capabilities using MNICCH as discussed in the benefits yesterday

There are numerous agencies at the local, state and federal level that currently have a total of 3,069 COLLECT terminals with access to MNI/CCH today.

### **Special Licensing Weapons Registration System**

1. Verify whether or not the DESPP Capital Equipment Purchase Funds (CEPF) can be used to fund this request – I believe Secretary Barnes indicated he may follow up within OPM but has also asked that DESPP verify on your end as well

DESPP does not have sufficient (unallocated) CEPF funding available to cover the SLWRS project.
