New Business

Update on CCMC Committee Instructor laptop computers. All were ordered on July 18, 2020 and will hopefully be delivered prior to the August 6th meeting; the instructors will hopefully have had time to test their computers in advance of this meeting.

Discussion of course schedule input into Gotomeeting.com. Course instructors will need to log into Gotomeeting.com and set up their course calendars. There is a function to "Set Up Your Room" in gotomeeting.com as well, each instructor should set up their own room.

Demo/test of Gotomeeting.com prior to the start of the CCMC Courses. Would the instructors like to have a quick demo/test of the system prior to the start of their courses? Should there be a quick test that the students can log into as well?
