CREATES REPORT

• Report issued to Gov. Lamont March 31 on government efficiency
  • Presentation by Boston Consulting Group at December P20 WIN Executive Board meeting

• P20 WIN cited multiple times:
  • “Ongoing expansion of the P20 WIN system will lead to increased data gathering, which could provide the foundation for a common platform either built off P20 WIN or closely compatible with it” (p. 43)
  • “By providing increased visibility, P20 WIN will help participating agencies drive more successful outcomes for residents as they navigate the education system and seek employment.” (p. 46)

• Under Data and Analytics opportunities and successes: “Ongoing P20 WIN initiative is working to establish state-wide data governance framework” (slides. 182)

RESIDENT ADVISORY BOARD

• The P20 WIN Resident Advisory Board (RAB) is proposed to be comprised of residents who are current or past recipients of state services, who are tasked with providing insight and recommendations from their life experiences.

• Members of the RAB are proposed to work together to ensure that P20 WIN promotes equity and that research and data sharing efforts do not disparately impact consumers or families.

• The RAB is proposed to provide guidance to the Executive Board and the Data Governing Board on how to:
  
  • Engaging with the community will increase the public trust in the Data Sharing process,
  
  • Share insight on projects, policies, and procedures and how to prevent any use of data for malevolent purposes, or that might result in profiling or other malevolent impact, specifically on issues of informed consent, assent, notice, privacy, data retention and destruction, and equity in data.
