Office of the Treasurer

SHAWN T. WOODEN  
TREASURER

DARRELL V. HILL  
DEPUTY TREASURER

May 1, 2021

Dear Connecticut Insured Employers, Self-Insured Employers and Insurance Carriers,

Today I am announcing the Second Injury Fund (Fund) assessment rates for insured and self-insured employers will remain unchanged for Fiscal Year 2022, which begins on July 1, 2021.

**The assessment rate for insurance companies will remain 2.25% for insured employers, and 2.75% for self-insured employers.**

Maintaining stable assessment rates will result in projected savings of \$5.1 million during Fiscal Year 2022. My administration is committed to working diligently to pass along these savings to Connecticut businesses without compromising any benefits due to injured workers.

Should you have any questions regarding the assessment rates for Fiscal Year 2022, please contact Assistant Treasurer Maria M. Greenslade at (860) 702-3125 or [Maria.Greenslade@ct.gov](mailto:Maria.Greenslade@ct.gov).

Sincerely,
