

## **Reporting and Delivery of DTC/DWAC Stock Securities Property**

Please NOTE - Connecticut requires ALL securities (All Stocks & Mutual Funds) be reported and delivered in the same asset form as it is held by the rightful owner except DRPs (see DRP reporting)

The only authorized vendor to have custody of State of Connecticut Unclaimed Property securities is Bank of New York Mellon. (Companies **CANNOT SET-UP SEPARATE ACCOUNTS** in the State of Connecticut name. When transferring shares, they must be registered in the name of the State of Connecticut.) If a holder cannot report and deliver the shares to Connecticut's Bank of New York transfer agent, then **DO NOT** report the shares to the state on your holder report. You must maintain the shares in the name of the original owner until the security returns to a position of value (Conn. Gen. Stat. § 3-65a(f)).

When reporting securities, please remember your report is not complete until you provide evidence of the property being transferred into the ownership of the State of Connecticut. The required evidence depends on the type of security and how it will be delivered to our custodian on behalf of the state.

**At least two days prior to delivery,**  
**you MUST fax or email intent to deliver to our custodian –**  
**see instructions below.**

Fax or email an “**intent to deliver**” list of the mutual funds to Conduent Unclaimed Property Clearinghouse at (617) 722-9660, Attn: Vilka Markovich, ([vilka.markovich@avenuinsights.com](mailto:vilka.markovich@avenuinsights.com)) and to the Unclaimed Property Division at [CTHolderReport@ct.gov](mailto:CTHolderReport@ct.gov) .
