LCO No. 3227 3 of 29

- cognizance of matters relating to education, economic development, labor and higher education and employment advancement specifying a forecasted assessment by the Labor Department of workforce shortages in occupations in this state for the succeeding two and five-year periods. The report shall also include recommendations concerning (A) methods to generate a sufficient number of workers to meet identified workforce needs, including, but not limited to, scholarship, school-to-career and internship programs, and (B) methods secondary and higher education and private industry can use to address identified workforce needs.]
 - [(c) The Labor Department shall be the lead state agency for the development of employment and training strategies and initiatives required to support the state's position in the knowledge economy.]

- (c) The [Labor Commissioner, with the assistance of the Office of Workforce Competitiveness,] Chief Workforce Officer may call upon any office, department, board, commission, public institution of higher education or other agency of the state to supply such reports, information, data and assistance as may be necessary or appropriate in order to carry out its duties and requirements. Each officer or employee of such office, department, board, commission, public institution of higher education or other agency of the state [is authorized and directed to cooperate with the Labor Commissioner and to] shall furnish such reports, information, data and assistance to the Chief Workforce Officer, as permitted under state and federal law.
- (d) The Chief Workforce Officer shall provide staff to the Governor's
 Workforce Council and such other resources as the Chief Workforce
 Officer can make available, and shall coordinate all necessary support
 that other state agencies can make available as needed by the Governor's
 Workforce Council.
 - (e) On behalf of the Governor, and the Governor's Workforce Council, the Chief Workforce Officer shall coordinate the state's planning, budgeting and implementation of the federal Workforce Innovation and Opportunity Act of 2014, P.L. 113-128, as amended from

LCO No. 3227 **4** of 29

- 108 time to time, and may issue guidance to this effect. The Labor
- 109 Commissioner shall assist the Chief Workforce Officer in coordinating
- 110 the state's planning, budgeting and implementation of the federal
- 111 Workforce Innovation and Opportunity Act of 2014, P.L. 113-128, as
- amended from time to time, and offer such other resources as the Labor
- 113 Commissioner can make available to do so.
- Sec. 2. (NEW) (Effective July 1, 2021) There is established an account
- to be known as the "CareerConneCT account" which shall be a separate,
- 116 nonlapsing account within the General Fund. The account shall contain
- any moneys required by law to be deposited in the account. Moneys in
- 118 the account shall be expended by Department of Economic and
- 119 Community Development for the purposes of funding workforce
- training programs recommended by the Office of Workforce Strategy.
- 121 Sec. 3. (NEW) (Effective July 1, 2021) (a) As used in this section and
- sections 4, 7 and 25 of this act:
- 123 (1) "Credential" means a documented award issued by an authorized
- body, including, but not limited to, a (A) degree or certificate awarded
- by an institution of higher education or private occupational school, (B)
- 126 certification awarded through an examination process designed to
- demonstrate acquisition of designated knowledge, skill and ability to
- 128 perform a specific job, (C) license issued by a governmental agency
- which permits an individual to practice a specific occupation upon
- 130 verification that such individual meets a predetermined list of
- qualifications, and (D) documented completion of an apprenticeship or
- 132 job training program; and
- 133 (2) "Credential status type" means the official status of a credential
- which is either active, deprecated, probationary or superseded.
- (b) Not later than January 1, 2023, the executive director of the Office
- 136 of Higher Education, in consultation with the advisory council
- established pursuant to subsection (c) of this section, shall create a
- database of credentials offered in the state for the purpose of explaining
- the skills and competencies earned through a credential in uniform

LCO No. 3227 5 of 29

140 terms and plain language. In creating the database, the executive 141 director shall utilize the minimum data policy of the New England 142 Board of Higher Education's High Value Credentials for New England 143 initiative, the uniform terms and descriptions of Credentials Engine's 144 Credential Transparency Description Language and the uniform 145 standards for comparing and linking credentials in Credential Engine's 146 Credential Transparency Description Language-Achievement 147 Standards Network. At a minimum, the database shall include the following data for each credential: (1) Credential status type, (2) the 148 149 entity that owns or offers the credential, (3) the type of credential being 150 offered, (4) a short description of the credential, (5) the name of the 151 credential, (6) the Internet web site that provides information relating to 152 the credential, (7) the language in which the credential is offered, (8) the 153 estimated duration for completion, (9) the industry related to the 154 credential which may include its code under the North American 155 Industry Classification System, (10) the occupation related to the 156 credential which may include its code under the standard occupational 157 classification system of the Bureau of Labor Statistics of the United 158 States Department of Labor or under The Occupational Information 159 Network, (11) the estimated cost for completion, and (12) a listing of 160 online or physical locations where the credential is offered.

(c) There is established an advisory council for the purpose of advising the executive director of the Office of Higher Education on the database created pursuant to subsection (b) of this section. The advisory council shall consist of representatives from the Office of Workforce Strategy established pursuant to section 4-124w of the general statutes, as amended by this act, the Office of Higher Education, the Office of Policy and Management, the Labor Department and the Department of Education.

(d) Not later than July 1, 2024, and annually thereafter, each institution of higher education, private occupational school and provider of a training program listed on the Labor Department's Eligible Training Provider List shall submit information, in the form and manner prescribed by the executive director of the Office of Higher Education,

LCO No. 3227 **6** of 29

about any credential offered by such institution, school or provider for inclusion in the database created pursuant to subsection (b) of this section.

- (e) Nothing in this section shall be construed to require the Labor Department to submit credential information to the database created pursuant to subsection (b) of this section. The Labor Department may, in consultation with the advisory council established pursuant to subsection (c) of this section, require any program sponsor of a preapprenticeship or apprenticeship program to submit information about such program to the Office of Higher Education for inclusion in such database.
- Sec. 4. (NEW) (*Effective July 1, 2021*) The Office of Workforce Strategy established pursuant to section 4-124w of the general statutes, as amended by this act, shall establish standards to designate certain credentials as credentials of value. Such standards shall include, but not be limited to, meeting the workforce needs of employers in the state, enrollment rates, completion rates and aggregate earnings data upon completion. The office shall compile, and annually update, a list of credentials designated as credentials of value, and include such list in the database established pursuant to section 3 of this act.
- Sec. 5. Subsection (l) of section 10a-34 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1*, 2021):
 - (l) Notwithstanding the provisions of subsections (b) to (j), inclusive, of this section and subject to the authority of the State Board of Education to regulate teacher education programs, up to twelve new programs of higher learning in any academic year and any program modifications proposed by an independent institution of higher education, as defined in section 10a-173, shall not be subject to approval by the Office of Higher Education, provided (1) the institution maintains eligibility to participate in financial aid programs governed by Title IV, Part B of the Higher Education Act of 1965, as amended from time to

LCO No. 3227 **7** of 29

time, (2) the United States Department of Education has not determined that the institution has a financial responsibility score that is less than 1.5 for the most recent fiscal year for which the data necessary for determining the score is available, and (3) the institution has been located in the state and accredited as a degree-granting institution in good standing for ten years or more by a regional accrediting association recognized by the Secretary of the United States Department of Education and maintains such accreditation status. Each institution that is exempt from program approval by the Office of Higher Education under this subsection shall file with the office (A) an application for approval of any new program of higher learning in excess of twelve new programs in any academic year, (B) a program actions form, as created by the office, prior to students enrolling in any new program of higher learning or any existing program subject to a program modification, and (C) not later than July first, and annually thereafter, (i) until January 1, 2024, a list and brief description of any new programs of higher learning introduced by the institution in the preceding academic year and any existing programs of higher learning discontinued by the institution in the preceding academic year, (ii) the institution's current program approval process and all actions of the governing board concerning approval of any new program of higher learning, and (iii) the institution's financial responsibility composite score, as determined by the United States Department of Education, for the most recent fiscal year for which the data necessary for determining the score is available.

- 240 programs and program changes to the Office of Higher Education.
- (b) Notwithstanding sections 10a-34 to 10a-35, inclusive, <u>as amended</u>
- by this act, the Board of Trustees for The University of Connecticut shall (1) have the authority, in accordance with the provisions of said sections
- 243 (1) have the authority, in accordance with the provisions of said sections
- 244 and the standards set forth in any regulations promulgated thereunder,
- 245 to review and approve recommendations for the establishment of new
- 246 academic programs at the university, and (2) until January 1, 2024,
- 247 report all new programs and program changes to the Office of Higher
- 248 Education.
- Sec. 7. (NEW) (Effective July 1, 2021) Not later than January 1, 2023,
- each private occupational school, as defined in section 10a-22a of the
- 251 general statutes, shall submit, in a format and manner prescribed by the
- 252 executive director of the Office of Higher Education, data for each
- 253 student at such private occupational school, including, but not limited
- 254 to, course enrollment, course completion, credential completion, fees
- and tuition charged, federal student loans received, federal student loan
- 256 balances, and for any student who has a state-assigned student
- identifier pursuant to section 10-10a of the general statutes, such student
- 258 identifier.
- Sec. 8. Subsection (j) of section 31-225a of the general statutes is
- repealed and the following is substituted in lieu thereof (*Effective July 1*,
- 261 2021):
- 262 (j) (1) (A) Each employer subject to this chapter shall submit
- 263 quarterly, on forms supplied by the administrator, a listing of wage
- information, including the name of each employee receiving wages in
- 265 employment subject to this chapter, such employee's Social Security
- account number and the amount of wages paid to such employee during
- 267 such calendar quarter.
- 268 (B) Commencing with the third calendar quarter of 2024, unless
- 269 waived pursuant to subdivision (5) of this subsection, any employer
- 270 subject to this chapter, with one hundred or more employees, shall
- include in the quarterly filing submitted pursuant to subparagraph (A)

LCO No. 3227 **9** of 29

of this subdivision, for each employee receiving wages in employment subject to this chapter, such employee's gender identity, race, ethnicity, veteran status, highest education completed, address of primary work site, occupational code under the standard occupational classification system of the Bureau of Labor Statistics of the United States Department of Labor, hours worked, days worked, salary or hourly wage, employment start date in the current job title and, if applicable, employment end date. The information required pursuant to this subparagraph shall be included in the quarterly filings of employers subject to this chapter with ninety-nine or fewer employees commencing with the third calendar quarter of 2027 and employers subject to this chapter with forty-nine or fewer employees without an electronic payroll system commencing with the third calendar quarter of 2031. Nothing in this subparagraph shall be construed to require an employee to provide information about gender identity, race, ethnicity, or veteran status if not otherwise required by law.

- (2) [Commencing with the first calendar quarter of 2014, each] <u>Each</u> employer subject to this chapter who reports wages for employees receiving wages in employment subject to this chapter, and each person or organization that, as an agent, reports wages for employees receiving wages in employment subject to this chapter on behalf of one or more employers subject to this chapter shall submit quarterly the information required by subdivision (1) of this subsection [on magnetic tape, diskette, or other similar electronic means which the administrator may prescribe] <u>electronically</u>, in a format <u>and manner</u> prescribed by the administrator, unless such employer or agent receives a waiver pursuant to subdivision (5) of this subsection.
- (3) Any employer that fails to submit the information required by subparagraph (A) of subdivision (1) of this subsection in a timely manner, as determined by the administrator, shall be liable to the administrator for a late filing fee of twenty-five dollars. Any employer that fails to submit the information required by subparagraph (A) of subdivision (1) of this subsection under a proper state unemployment compensation registration number shall be liable to the administrator

LCO No. 3227 10 of 29

for a fee of twenty-five dollars. All fees collected by the administrator under this subdivision shall be deposited in the Employment Security Administration Fund.

- (5) Any employer or any person or organization that, as an agent, [submits] is required to submit information pursuant to subdivision (2) of this subsection, [or makes] make contributions or payments in lieu of contributions pursuant to subdivision (4) of this subsection or submit information pursuant to subparagraph (B) of subdivision (1) of this subsection may request in writing, not later than thirty days prior to the date a submission of information or a contribution or payment in lieu of contribution is due, that the administrator waive [the] such requirement. [that such submission or contribution or payment in lieu of contribution be made electronically.] The administrator shall grant such request if, on the basis of information provided by such employer or person or organization and on a form prescribed by the administrator, the administrator finds that there would be undue hardship for such employer or person or organization. The administrator shall promptly inform such employer or person or organization of the granting or rejection of the requested waiver. The decision of the administrator shall be final and not subject to further review or appeal. Such waiver shall be effective for twelve months from the date such waiver is granted.
- Sec. 9. (NEW) (*Effective July 1, 2021*) Not later than December 1, 2021, and annually thereafter, each local and regional board of education that participates in the National School Lunch Program, in which at least one

LCO No. 3227 11 of 29

school under the jurisdiction of said board qualifies for maximum federal reimbursement for all school meals served under the federal Community Eligibility Provision, but does not implement such program, shall report such board's reasons for not implementing such program to the Department of Education. The report shall include, but not be limited to, a description of the specific impediments to implementing the program, actions required to remove those impediments and a plan for successful implementation of the program for the following school year. As used in this section, "Community Eligibility Provision" means the federal meal reimbursement program administered by the United States Department of Agriculture, as set forth in 7 CFR 245.9, as amended from time to time.

Sec. 10. Subsection (j) of section 10-221a of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

- (j) (1) For the school year commencing July 1, [2012] 2021, and each school year thereafter, each local and regional board of education, in collaboration with each student and such student's parent or guardian, shall create a student success plan for [each] such student [enrolled in a public school,] beginning in grade six. Such student success plan shall include a student's career and academic choices in grades six to twelve, inclusive. Beginning in grade six, such student success plan shall provide evidence of career exploration in each grade including, but not limited to, careers in manufacturing. The Department of Education shall revise and issue to local and regional boards of education guidance regarding changes to such student success plans. On and after July 1, 2020, in creating such student success plans, consideration shall be given to career and academic choices in computer science, science, technology, engineering and mathematics.
 - (2) (A) On and after July 1, 2024, each local and regional board of education shall document every student success plan electronically and submit such plan to the Department of Education.

LCO No. 3227 12 of 29

(B) The department shall share, upon the written consent of a student, or such student's parent or guardian if the student is seventeen years of age or younger, the student success plan with an academic or career counselor from an institution of higher education in the state in which such student is enrolled.

Sec. 11. Section 10-221a of the general statutes is amended by adding subsection (l) as follows (*Effective July 1, 2021*):

(NEW) (l) No local or regional board of education may restrict or deny a student access to career and technical education, work-based learning, service learning, dual enrollment, dual credit, early college, advanced placement, International Baccalaureate or any other honors, advanced or accelerated course or program based solely or predominantly on such student's prior academic performance. A board may establish prerequisites for any such course or program, provided such board seeks to minimize prerequisites and ensures that any such prerequisite are evidence-based indicators of student performance. Each board shall seek to improve access to and diversity in such courses and programs, promote a challenging curriculum for all students and encourage all students to pursue high-quality postsecondary education, including both degree and nondegree programs.

Sec. 12. (NEW) (*Effective July 1, 2021*) (a) Not later than July 1, 2022, each local or regional board of education shall adopt a challenging curriculum policy for high school students in the school district. A challenging curriculum policy shall include the following requirements:

(1) For any student enrolled in grades eight or eleven who meets or exceeds the state level three standard for the reading, writing, mathematics or science components of a mastery examination, given in accordance with the provisions of section 10-14n of the general statutes, but not including any alternate assessments administered pursuant to 34 CFR 200.1(d) or 34 CFR 300.160(c), as amended from time to time, each local or regional board of education shall automatically (A) enroll such student in the next most rigorous level of advanced course or

LCO No. 3227 13 of 29

program offered by the student's high school in accordance with subsection (b) of this section, and (B) create an academic plan for such student that results in the student completing one or more dual credit, dual enrollment, early college, advanced placement or International Baccalaureate course by the end of eleventh grade, provided such academic plan shall be amended upon the request of such student's parent or guardian.

- 416 (3) Any enrollment in an advanced course or program or academic 417 plan created pursuant to subdivision (1) or (2) of this subsection shall 418 align with a student's success plan created pursuant to section 10-221a 419 of the general statutes, as amended by this act.
 - (4) A parent or guardian of a high school student may opt the student out of the challenging curriculum policy and enroll the student in an alternative course or program.
 - (5) Each local or regional board of education may include additional or different eligibility criteria for students to participate in the challenging curriculum policy, provided such criteria do not create inequities among student groups eligible for advanced courses or programs. Such eligibility criteria may include measures, other than student performance on mastery examinations, which the board finds are an indicator of ability to succeed in an advanced course or program.
 - (b) The subject matter of an advanced course or program in which a student is automatically enrolled pursuant to subdivision (1) of subsection (a) of this section shall be related to the component of a mastery examination in which the student met or exceeded the state level three standard in accordance with the following:

LCO No. 3227 14 of 29

(1) Students who meet or exceed the state level three standard on the reading or writing component of a mastery examination are eligible for enrollment in advanced courses in English, social studies, the humanities and other related subjects.

Sec. 18. (NEW) (Effective July 1, 2021) Not later than January 1, 2022, the Commissioner of Education, in consultation with the Office of Workforce Strategy, established pursuant to section 4-124 of the general statutes, as amended by this act, and with the approval of the State Board of Education, may make recommendations to the State Board of Education, the Office of Policy and Management and, in accordance with the provisions of section 11-4a of the general statutes, to the joint standing committee of the General Assembly having cognizance of matters relating to education for: (1) Strategies and supports necessary to increase the number of students in alliance districts and adult education programs that complete the Free Application for Federal Student Aid or application for institutional financial aid for students without legal immigration status; (2) educating students and their families about the net cost of college, the use of federal Pell grants to make college more affordable and the varying income potential of different college and certificate programs; and (3) strategies to remove barriers and simplify access to high-quality postsecondary education and training options, including, but not limited to, nondegree programs. The commissioner shall consult with parents, teachers and school

LCO No. 3227 19 of 29

administrators before making any such recommendations and may establish a task force to help create such recommendations.

Sec. 19. Section 10-220g of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

Each local and regional board of education shall establish, and update as necessary, a written policy concerning weighted grading for honors, [and] advanced placement, International Baccalaureate, service learning dual enrollment, dual credit and early college classes. The policy shall provide that parents and students are advised whether a grade in an honors, [class or an] advanced placement, International Baccalaureate, service learning dual enrollment, dual credit or early college class is or is not given added weight for purposes of calculating grade point average and determining class rank. Each local and regional board of education shall consider the impact of a weighted grading policy on the grade point average and class rank of students who complete coursework in career and technical education before establishing or updating such policy.

Sec. 20. (NEW) (*Effective July 1, 2021*) (a) As used in this section and section 21 of this act, "participating institution" means (1) an institution of higher education within the Connecticut State Colleges and Universities, or (2) any other institution of higher education in the state that enters into a memorandum of understanding with the Board of Regents for Higher Education in accordance with subsection (d) of this section.

(b) Not later than April 1, 2022, the Board of Regents for Higher Education shall (1) establish the Connecticut Automatic Admissions Program, and (2) adopt rules, procedures and forms necessary to implement such program. The Connecticut Automatic Admissions Program shall require participating institutions to admit any applicant as a full-time, first-year student if such applicant (A) is at or above the class rank percentile prescribed by the participating institution, (B) would qualify as an in-state student pursuant to section 10a-29 of the

LCO No. 3227 **20** of 29

general statutes, (C) is a twelfth grade student at a public high school in the state or a nonpublic high school in the state approved pursuant to subsection (g) of this section, and (D) if required by a participating institution, earns a high school diploma.

- (c) The Board of Regents for Higher Education shall create a simple online application form for students to apply to participating institutions under the Connecticut Automatic Admissions Program. Such application shall require a student to verify that such student meets the qualifications specified in subsection (b) of this section and any additional requirements set forth in policies and procedures established in accordance with subsection (e) of this section. Such application shall not require (1) an application fee, or (2) the submission of an essay or recommendation letters.
- (d) On and after July 1, 2023, any institution of higher education in the state that is not within the Connecticut State Colleges and Universities and graduates one hundred or more students with a bachelor's degree each year for the preceding four years may enter into a memorandum of agreement with the Board of Regents for Higher Education to participate in the Connecticut Automatic Admissions Program. Each such participating institution shall accept the online application form created pursuant to subsection (c) of this section and comply with the provisions of subsection (e) of this section. The Board of Regents for Higher Education may charge a reasonable fee to any participating institution that is not a constituent unit of the state system of higher education for inclusion in the program. Such fee shall not exceed the board's cost for including such participating institution in the program or fifty thousand dollars, whichever is less.
- (e) The Board of Regents for Higher Education or the governing board of any other participating institution shall establish a minimum class rank percentile to qualify for admission through the Connecticut Automatic Admissions Program to each participating institution under such board's governance and may establish policies or procedures necessary for admitting students under said program. No board may

LCO No. 3227 **21** of 29

establish policies or procedures that require any academic qualifications in addition to the qualifications specified in subsection (b) of this section. A participating institution of higher education may deny admission to a student who is otherwise qualified for the program pursuant to subsection (b) of this section provided (1) the reason for denial is articulated in the policies or procedures established by a board in accordance with this subsection, and (2) the student shall be notified of the denial and allowed a reasonable amount of time in which to cure the reason for denial.

(f) The Board of Regents for Higher Education shall not consider the manner in which a student was admitted in determining such student's eligibility for need-based or merit-based financial aid.

- (g) Any nonpublic high school in the state may apply to the Board of Regents for Higher Education, in the form and manner prescribed by the board, to participate in the Connecticut Automatic Admission Program. The board shall approve any such nonpublic high school applicant provided the high school (1) is accredited by a generally recognized accrediting organization or is operated by the United States Department of Defense, and (2) complies with the provisions of section 21 of this act.
 - Sec. 21. (NEW) (Effective July 1, 2021) (a) Not later than August 1, 2022, and each school year thereafter, each local and regional board of education shall calculate a class rank percentile for each student who completes eleventh grade. Any board that adopts a weighted grading policy pursuant to section 10-220g of the general statutes, as amended by this act, shall use such policy to calculate class rank percentile. Each board shall share a student's class rank percentile with (1) the student, (2) the student's parent or guardian if such student is seventeen years of age or younger, (3) the Department of Education, and (4) upon a student's request, a participating institution for the purposes of the Connecticut Automatic Admission Program established pursuant to section 20 of this act. The Department of Education may require a local or regional board of education to submit each student's grade point

699 average and class rank percentile electronically.

- (b) Not later than August 1, 2022, and each school year thereafter, each local and regional board education shall notify each student in grade twelve, and the parent or guardian of such student, whether such student's class rank percentile allows such student to be admitted to at least one participating institution under the Connecticut Automatic Admissions Program established pursuant to section 20 of this act.
- Sec. 22. (NEW) (Effective July 1, 2021) (a) As used in this section:
 - (1) "Eligible organization" means any provider of a training program, institution of higher education, private occupational school, employer, state or municipal agency and public or nonprofit social service provider in the state; and
 - (2) "Approved class" means a set of employees, clients, students or customers of an eligible organization.
 - (b) Not later than January 1, 2022, the Commissioner of Transportation shall establish a bulk ride transit pass program to allow individuals in an approved class for an eligible organization to use certain public transit services without cost or at a reduced cost. The commissioner shall post information regarding the bulk ride transit pass program and application process for such program on the Department of Transportation's Internet web site in a manner that, in the commissioner's discretion, will maximize awareness and participation by the greatest number of eligible organizations.
 - (c) Upon receipt of an application from an eligible organization to participate in the bulk ride transit pass program, the commissioner may negotiate the terms and conditions and enter into a contract with such eligible organization. The commissioner may treat several eligible organizations as a single eligible organization for the purposes of a contract under the bulk ride transit pass program. Such terms and conditions shall include, but not be limited to, the amount of compensation or reimbursement required from the eligible

LCO No. 3227 **23** of 29

730 organization, the definition of approved class specific to the eligible 731 organization and any limitations on times of use or types of public 732 transit services available to the approved class. The compensation or 733 reimbursement negotiated in the contract shall be in an amount as the 734 commissioner deems necessary or advisable, provided the amount is 735 sufficient to ensure that transit service expenditures incurred by the 736 department do not increase as a result of the bulk ride transit pass 737 program. A contract under the bulk ride transit pass program shall be 738 valid upon the approval of the Office of Policy and Management for a 739 term of not more than two years, except the first contract with an eligible 740 organization shall not exceed twelve months. Prior to any renewal of a 741 contract with an eligible organization under the bulk ride transit pass 742 program, the commissioner shall consider prior pass utilization 743 information and any transit service expenditure increases incurred by 744 the department for the purpose of re-evaluating the amount of compensation or reimbursement required from such eligible 745 746 organization.

- (d) Not later than January 1, 2023, and annually thereafter, the Commissioner of Transportation shall submit a report to the Secretary of the Office of Policy and Management on the financial data and pass utilization information for each contract under the bulk ride transit pass program.
- Sec. 23. Section 10a-223 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective October 1, 2021*):
