WHEREAS, on March 10, 2020, I issued a declaration of public health and civil preparedness emergencies, proclaiming a state of emergency throughout the State of Connecticut as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and Connecticut; and

WHEREAS, pursuant to such declaration, I have issued forty-nine (49) executive orders to suspend or modify statutes and to take other actions necessary to protect public health and safety and to mitigate the effects of the COVID-19 pandemic; and

WHEREAS, COVID-19 is a respiratory disease that spreads easily from person to person and may result in serious illness or death; and

WHEREAS, the World Health Organization has declared the COVID-19 outbreak a pandemic; and

WHEREAS, to reduce the spread of COVID-19, the United States Centers for Disease Control and Prevention (CDC) and the Connecticut Department of Public Health (DPH) recommend implementation of community mitigation strategies to slow transmission of COVID-19, including cancellation of gatherings of ten people or more and social distancing in smaller gatherings; and

WHEREAS, the risk of severe illness and death from COVID-19 is higher for individuals who are 60 or older and for those who have chronic health conditions; and

WHEREAS, public health experts have determined that it is possible to transmit COVID-19 even before a person shows symptoms and through aerosol transmission; and

WHEREAS, public health experts have indicated that persons infected with COVID-19 may not show symptoms, and transmission or “shedding” of the coronavirus that causes COVID-19 may be most virulent before a person shows any symptoms; and

WHEREAS, the CDC has recommended that people with mild symptoms consistent with COVID-19 be assumed to be infected with the disease; and
WHEREAS, upon a proclamation that a civil preparedness emergency exists, section 28-9(b) of the Connecticut General Statutes authorizes the modification or suspension in whole or in part by executive order of any statute or regulation or requirement or part thereof that conflicts with the efficient and expeditious execution of civil preparedness functions or the protection of public health; and

WHEREAS, there exists a compelling interest in reducing the risk of transmission of COVID-19 among candidates seeking election, their supporters who are seeking to contact potential voters and the public at large; and

WHEREAS, the process of qualifying for ballot access through in-person petitioning as required under Title 9 of the General Statutes is a basic and vital requirement of our state constitution and our election laws, the purpose of which is to ensure that voters have the opportunity to choose among viable candidates who have qualified for the ballot based on a minimum threshold of support, and to promote an election that is orderly, fair and transparent; and

WHEREAS, the COVID-19 pandemic may make it more difficult for candidates to meet the existing statutory petitioning requirements because fewer people are going outside or to public places and some people may be less willing to have in-person interactions with candidates or their supporters; and

WHEREAS, reducing the number of in-person interactions that might otherwise occur if no modifications were made to the existing petitioning statutes may help further reduce the potential transmission of COVID-19 during the ongoing public health emergency; and

WHEREAS, Executive Order No. 7LL amended the statutory process for certain candidates to qualify for ballot access as a result of the COVID-19 pandemic; and

WHEREAS, Executive Order No. 7MM provided for land use and liquor permitting to facilitate safe outdoor dining, but restrictions on gatherings required that Restaurant Permit for Catering Establishments not yet offer outdoor service and that Caterer Liquor permittees offer outdoor service only at locations with an on-premise permit; and

WHEREAS, Executive Order No. 7TT permits outdoor gatherings of as many as 25 people, and future executive orders may permit larger gatherings and events, and as a result, catering services may be provided safely for such events provided all other safety measures are followed;

NOW, THEREFORE, I, NED LAMONT, Governor of the State of Connecticut, by virtue of the authority vested in me by the Constitution and the laws of the State of Connecticut, do hereby ORDER AND DIRECT:
