

Assisted Living Facility COVID-19 Data

Data presented shows 60 assisted living facilities reporting at least one resident with confirmed or suspected COVID-19 currently in their facility on 5/6/2020. Data presented are **not** cumulative.

A resident with confirmed COVID-19 is one with a positive test result.

A resident with suspected COVID-19 is one with symptoms consistent with COVID-19 who has not been tested or test results are pending.

* Indicates facilities with multiple levels of care including assisted living, independent senior living, and/or nursing home. Data for these facilities include counts of residents across all applicable levels of care.
