

**The Department of Mental Health and Addiction Services, (DMHAS) Police Department
Certified Officers**

“The Department of Mental Health and Addiction Services, (DMHAS) Police Department has an ongoing recruitment campaign for full-time, current State of CT certified Police Officers. We are currently accepting applications for multiple Police Officer positions. The positions are full-time, 40 hours weekly with every other weekend off. These positions are in the following facilities and can be assigned any facility/location and work schedule/shift: Capitol Region Mental Health Center (Hartford), Connecticut Mental Health Center (New Haven), Connecticut Valley Hospital (Middletown), Southwest Connecticut Mental Health System (Bridgeport) and Whiting Forensic Hospital (Middletown). Successful candidates must be eligible to meet all the requirements established by POST Council and the DMHAS Police Department. Candidates must be of and remain in good standing with their present agency or have retired in good standing and maintained their POSTC Certification. All candidates will be required to successfully complete the following: oral interview, written test, thorough background investigation, polygraph examination, psychological interview, medical examination including drug and anabolic steroid screening, and a Chief's interview.”
