NOTES:

Hazardville's Rye Hill system is billed at rates approved for The CT Water Water Company's Main CWC Division.

The approved commodity charges for The Jewett City Water Company, The Hazardville Water Company and Valley Water Systems, Inc. are on a per 100 cubic feet basis. For the purposes of comparative billing, these commodity charges have been converted to equivalent rates on a per 1,000-gallon basis using a conversion factor of 1.33688.

The above water rate comparisons do not include any Water Infrastructure and Conservation Adjustments (WICA) or Revenue Adjustment Mechanism (RAM) surcharges or surcredits.
