Re: Docket No. 12-01-13: Application of Preston Plains Water Company to Amend Rate Schedules

Dear Ms. Santopietro:

Yesterday, Public Utilities Regulatory Authority (the "Authority") staff informed Preston Plains Water Company ("PPWC" or the "Company") of an error on one of its Schedules of Approved Rates and Charges, originally filed with the Authority in the above referenced docket on June 20, 2012. The meter rate for commercial customers should be monthly instead of quarterly. The Company hereby submits updated Schedules of Approved Rates and Charges in compliance with Order No. 3 of the June 28, 2012 Final Decision to change the description of the commercial meter rate from quarterly to monthly.

I certify that a copy hereof has been furnished on this date via electronic mail and/or first class mail, postage prepaid, to all parties, intervenors and participants of record according to the Authority's service list for this docket as of this date. A copy has also been filed with the Authority as an electronic web filing and is complete.

Please feel free to contact the undersigned with any questions.

Respectfully submitted,

PRESTON PLAINS WATER COMPANY
