COVID-19 Community-wide Emergency Meal Program for Children

Any child age 18 years or younger can receive meals at any meal service and distribution sites in these towns/cities. They do not have to be a resident or attend school in these towns. Households should visit websites and social media pages of the school districts and municipalities below on a daily basis for the most current information. Locations and times for meal service and distribution vary with each location, and are subject to change as programs continue to adapt to demand and changing logistics.
