What can I do to celebrate CTE month?

- Encourage your students to enter the LT Governor’s Computing Challenge, “Coding for Good – Inspiring Health and Wellness for All” For more information view the launch video or check out the Challenge website.
- Visit the Association for Career & Technical Education® Website and the Advance CTE Website to explore a variety of CTE Month suggestions
- Showcase the work of your CTSOs during a CTSO Celebration Day
- Build awareness on social media
- Host a school visit and invite members of your local community to learn more about CTE education in your school district
- Create a Twitter challenge to promote and share points of pride in local CTE programs.
