

The Governor's Summer Reading Challenge

Information for Principals

The 2023 Governor's Summer Reading Challenge is under way. We strongly encourage your school's participation. Involvement in the Summer Reading Challenge will support and enhance your ongoing efforts to help every student become a proficient and confident reader.

In order to make this event meaningful, we ask that you consider the following:

- Prepare a letter about the importance of reading and comprehension and distribute copies to all of your students and their parents. Let them know your school is participating in the Summer Reading Challenge, and encourage them to accept the Challenge, too. (Certificates will be awarded to schools with the highest percentage of students participating in the challenge. Winning schools will be recognized in a special ceremony.)
- Distribute with your letter the reading journals, reading lists and other materials that are part of your school's efforts to encourage reading, and the information sheet "Message to Parents and Students" and "What You Can Do to Encourage Reading." Please make as many copies of the information sheet as you need.
- Consider sending a letter to parents and students in early August to encourage students to keep reading.
- Plan to tally the results in October. Brief instructions are available on the State Department of Education's website at <https://portal.ct.gov/SDE/CTRead/Connecticut-Reads>. Be sure to return the journals to your students after the necessary information has been recorded.

**Thank you for supporting the Summer Reading Challenge,
and for all you do year-round to enrich the lives of Connecticut students.**
