

**Verification of Out-of-State Educator Certification Tests**

**Applicant:** If you passed an educator certification test in another US state or territory, please fill in Applicant Information only. Forward the form for completion and submission by the department of education or authorized agency in the state that required the tests. The Connecticut State Department of Education (CSDE) will determine if scores meet requirements. **An active certification application and fee must be on file with the CSDE before submitting this document.**
