- N Pass: Number of examinees who passed the test on their first attempt.
- % Pass: The percent of examinees who passed based on their first attempt within the program year.

## Interpretive Cautions

The following cautions apply to the data.

1. Information regarding examinee institution affiliation is based on self-reported information obtained at the time of test registration. This information has not been verified.
2. Information on whether examinees have completed their institution preparation program prior to testing is not available.
3. Data are supplied for an institution if the number of unique test takers is 10 or more for the 2014 – 2015 program year.
4. Extreme caution should be used in interpreting data for small numbers (<100) of examinees, as such data may not provide a valid indication of how examinees typically perform.
5. The "Total" row reflects the total of the data before any data suppression.
6. Results reported for only a small number of examinees may not be indicative of how large numbers of examinees typically perform.
7. The examinees for whom results are presented in this document may not reflect the same proportion of all the types and capabilities of examinees in the population who will take this test in the future.
8. The information contained herein is confidential and must not be disclosed to unauthorized persons. Appropriate safeguards must be implemented by all personnel to protect against improper disclosure of information.
9. Results included in this report are complete as of the date and time this report is released. Additions or changes to this information may occur after this date. The Connecticut State Department of Education maintains an updated file of official results for the purpose of certification.
