An Act Waiving Any Penalties Imposed On A Board Of Education For Making Reductions To Its Budgeted Appropriation For Education As A Result Of Cuts To Its Education Cost-Sharing Grant For Fiscal Year 2018

This Act waives, for FY 18, the state penalty for violating the law prohibiting a town from reducing its budgeted amount for education, as long as the town meets certain criteria under the Act.
Current law prohibits a town from budgeting less for education than it did in the previous FY unless it can demonstrate specific changes within its school district (such as reduced student enrollment). This prohibition is commonly referred to as the minimum budget requirement (MBR).

The Act waives the state penalty for violating the MBR for FY 18 if a town meets the following requirements:

1. the town's FY 18 equalization aid (i.e., education cost sharing (ECS)) grant was reduced due to (a) reductions in allotments (i.e., to achieve unallocated budgeted lapses and targeted savings in the General Fund) authorized in the budget act (PA 17-2, June Special Session, §§ 13 and 14) or (b) withholdings or reductions in state assistance to help pay for rental rebate assistance (CGS § 12-170f(d), as amended by PA 17-4, June Special Session, § 25) and

2. the town subsequently reduced its FY 18 budgeted appropriation for education in an amount up to the reduction in its ECS grant.

The Act prohibits the State Board of Education (SBE) from making a determination that such a town failed to meet the MBR requirements, and SBE cannot require the town to forfeit its ECS grant in an amount equal to two times the reduction.

An Act Concerning School Counselors

This Act adds “school counselor” to every state law that currently mentions “guidance counselor.” While neither “school counselor” nor “guidance counselor” is defined in state law, in practice SDE currently issues a school counselor special services certificate endorsement and no longer issues a guidance counselor endorsement. The department continues to recognize the guidance counselor endorsement. Specifically, the Act adds school counselors to the following situations:

1. membership on the committee to coordinate the education of middle school and high school students about manufacturing careers (§ 1);

2. the State Department of Education's (SDE) program to introduce students, parents, and counselors to manufacturing careers (§ 2);

3. the definition of “mental health professionals” for statutes governing school-based primary mental health programs (§ 3);

4. the list of school employees who can attest on a student's public school withdrawal form that the school district provided the student's parent with information on the educational options available in the school system and community (§ 4);

5. membership on district and school attendance review teams (§ 5);

6. the definition of “school employee” for the statute that requires board of education policies prohibiting school employees from (a) preventing a student from participating in physical exercise during the school day as a form of punishment and (b) requiring any kindergarten through grade 12 student to engage in physical activity during the school day as a form of discipline (§§ 6 & 7);
7. the definition of “school employee” for statutes governing safe school climate plans (§ 8);

8. the listing of individuals to be assisted by the Office of Higher Education in becoming better informed about matters concerning student financial assistance affairs (§ 9);

9. the definition of “counselor” for statutes governing abortions for minors (§ 10);

10. the list of professionals required to report suspected abuse or neglect of individuals who have an intellectual disability or receive autism spectrum disorder services (§ 11);

11. the definition of “school employee” for statutes governing sex offenses (§ 12); and

12. the list of professionals to whom a victim may disclose a personal injury and thereby be entitled to compensation through the Office of Victim Services or a victim compensation commissioner (§ 13).

It also allows these boards of education to do the following in order to develop and implement this new curriculum: (1) use existing and appropriate public or private materials, personnel, and other resources and (2) accept gifts, grants, and donations, including in-kind donations.

EFFECTIVE DATE: July 1, 2018

An Act Concerning The Recommendations Of The Juvenile Justice Policy And Oversight Committee And Concerning The Transfer Of Juvenile Services From The Department Of Children And Families To The Court Support Services Division Of The Judicial Branch

Beginning July 1, 2018, this Act transfers legal authority from the Department of Children and Families (DCF) to the judicial branch over any child who was committed to DCF as a delinquent pursuant to a juvenile court order entered before that date. The branch’s Court Support Services Division (CSSD) must, in turn, assume responsibility for supervising the children and may exercise its powers, duties, and functions to provide such supervision (§ 8).
Under existing law, the juvenile court is prohibited, starting July 1, 2018, from committing a child to DCF as a result of a delinquency adjudication. Existing law also (1) establishes a one-year transition period, from July 1, 2018 to January 1, 2019, during which the judicial branch may place a child convicted as delinquent in a DCF-operated congregate care setting or order the child to receive community-based DCF services and (2) requires the agencies to enter into an agreement that (a) allows the judicial branch to use these settings and services and (b) requires it to pay DCF for their use (PA 17-2 June Special Session (JSS) (§§ 321 & 323)).

The Act also makes numerous other changes to the juvenile justice statutes. Principally, it:

1. specifies a deadline by which the appropriate school district must enroll a child in detention who is not otherwise enrolled in school and requires that the student remain enrolled in that district for the duration of his or her detention (§ 3);

3. requires the technical high school system superintendent and board, by January 1, 2019, to develop a plan to address education, training, and work experience for children in post-conviction justice system custody (§ 5);

5. imposes various new juvenile justice-related reporting requirements on the Juvenile Justice Policy and Oversight Committee (JJPOC) and certain state agencies (§ 7);

6. deems any child transferred from DCF to CSSD under the Act to be on probation for a period no longer than his or her remaining delinquency commitment to DCF as of June 30, 2018, and requires the court to review and, if appropriate, modify the probation conditions (§ 8); sets forth the court’s authority to modify or enlarge conditions of probation, and provides for a probation status review hearing and the detention of a child (§37);

7. allows the Department of Corrections (DOC) to transfer an inmate under age 18, to CSSD under certain conditions, instead of allowing it to transfer such an inmate to DCF as under current law (§ 23);

8. limits and modifies the ways that a juvenile court may dispose of a delinquency adjudication and adds to the factors the court must consider when making a disposition (§ 36);

9. modifies the probation conditions the court may order, allows a juvenile probation supervisor's designee to establish the term of non-judicial supervision for a juvenile for whom the court entered a non-judicial disposition, and makes various other changes to laws related to juvenile probation (§§ 25, 31, 23, 32, 36-38);

10. makes changes to several definitions in the juvenile matters laws and adds several new ones (§§ 15 & 25);
11. eliminates provisions that permit the DCF commissioner, in certain circumstances, to transfer a child committed to the department to the John R. Manson Youth Institution or York Correctional Institution, as appropriate (§ 20);

12. eliminates a provision that (a) explicitly allows a judge hearing a juvenile matter to make any order in connection to it that a Superior Court judge is authorized to grant and (b) gives such an order the same force and effect as a Superior Court order (§ 27);

13. modifies various juvenile justice system goals (§ 28);

14. permits the judicial branch to contract to establish secure residential facilities and requires it to develop a continuum of community-based programs (§ 29);

15. permits, instead of requires, the judicial branch to consult with the Commission on Racial and Ethnic Disparity in the Criminal Justice System to address the needs of minorities in the juvenile justice system (§ 29);

16. limits the circumstances in which DCF employees may have access to juvenile court records and adds to the records of delinquency proceedings that must be disclosed to the DMV commissioner (§ 30);

17. designates the chief court administrator or his designee, instead of the DCF commissioner or her designee, as administrator of the Interstate Compact for Juveniles (ICJ) (The compact enables states to transfer a juvenile's supervision between states and return a runaway juvenile to his or her home state) (§§ 9 & 18);

18. eliminates as possible qualifications for members of the state Advisory Council on Children and Families that the member (a) represent young people, parents, and others interested in delivering juvenile justice services or (b) is a parent, foster parent, or family member of a child who has received or is receiving juvenile justice services (§ 17);

19. eliminates a requirement that a law enforcement officer who arrests a youth for prostitution report suspected abuse or neglect to DCF (§ 33);

20. specifies that, as required under existing law, CSSD and other state agencies must develop a community-based diversion system and school-based diversion plan (§§ 1 & 2);

21. makes numerous changes to conform with the transferred responsibility for children adjudicated delinquent from DCF to CSSD by eliminating references throughout the Act to (a) children committed to DCF for delinquency and (b) the Connecticut Juvenile Training School (CJTS), which was a DCF-run secure detention facility for juveniles that permanently closed in April 2018 (§§ 10-14, 16, 18, 19, 21-22 & 35);

22. repeals several provisions pertaining to DCF responsibility for juveniles adjudicated delinquent, CJTS, and certain CSSD responsibilities (§ 43);

23. makes minor, technical, and conforming changes (§§ 26, 34, & 39-42).

EFFECTIVE DATE: July 1, 2018; except the provisions on the community-based diversion system and school-based diversion plan, school district liaisons, the technical high school system, the statewide
information technology platform, and various reporting requirements are all effective upon passage; and the provision on school enrollment of students at detention facilities takes effect August 1, 2018.

**An Act Implementing The Recommendations Of The Auditors Of Public Accounts Concerning Private Providers Of Special Education**

This Act requires, starting July 1, 2019, a local or regional board of education to have a written contract, instead of an agreement as under current law, with a private special education provider in order to receive a state reimbursement grant for special education costs (known as the excess cost grant). Under the excess cost grant program, the state reimburses a board when the cost of a student’s special education services exceed four and a half times the average per pupil educational cost of that school district.

The Act requires that any agreements entered into or amended on or after July 1, 2018 but before June 30, 2019 and any contract entered into or amended on or after July 1, 2019 must include an explanation of how the provider’s tuition or costs for services provided are calculated. It makes the same change to the current law's requirements that districts must follow when they choose to enter into a contract for private special education services.

The Act also requires the State Department of Education (SDE) to develop standards and a process for documenting special education services provided by private providers that includes the use of standard forms or other electronic reporting systems.
It also requires any private provider providing special education services for a local or regional board of education to annually submit its operating budget to SDE.
