Timothy Larson, Executive Director, Office of Higher Education

DATE: March 25, 2021

SUBJECT: CareerConn2021 Virtual Career School Fair

We are pleased to announce CareerConn2021, taking place on **Wednesday, March 31, 2021, from 9:00 a.m. to 4:00 p.m.**

Hosted by the Connecticut Office of Higher Education, CareerConn is a free virtual career school fair, featuring more than 25 occupational schools, complete with career track workshops and real-time conversations. This event is open to all high school students. Students can participate any time throughout the day to explore careers from manufacturing to healthcare. We want to make sure this event reaches as many students as possible as they consider their academic pathways after graduation.

To participate, students should [register online](#) before March 31 (registering allows students and families to re-visit the site thru April 30, 2021). All high school students are welcome to attend.

We appreciate your support in passing this information and the attached flyer, along with [this special brief message from Governor Lamont](#), on to your high schools.
