

CONNECTICUT STATE  
DEPARTMENT OF EDUCATION

## CSDE Stakeholder Forum on Afterschool Programming

Join us for a focus group discussion to help the Connecticut State Department of Education (CSDE) design innovative ARP ESSER after school programming to ensure that underrepresented areas of the state are able to implement after school programs. Participants will be asked to share their ideas about how to strengthen local capacity-building efforts, encourage proposals from smaller underserved communities, and execute innovative programming that serves Connecticut's most vulnerable populations, particularly for those who have been disproportionately impacted by COVID-19. Your feedback is important to guide innovative funding opportunities and expand access to all students!

### Who:

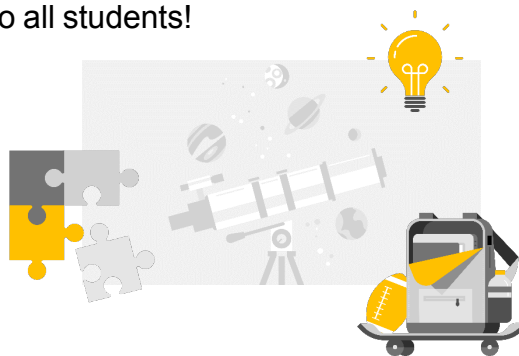

This event is open to everyone, including districts, school administrators, community-based organizations, RESCs, state and local officials, and other members of the education community and public.

### Where:

This event will be held as a Zoom webinar.

### When:

Thursday, March 24, 2022, from 8:30am to 10:00am EST
