| <b>GENERAL INSTRUCTIONS</b> |
|-----------------------------|

**NAME OF CHARTER SCHOOL** \_\_\_\_\_ **2022-2023**

The primary objective of this program is to perform certain agreed upon procedures for the financial data (*Education Financial System and October 2022 PSIS Data Elements*) prepared by local charter schools.

Work performed under this program with respect to information submitted by the charter school consists of:

- ✦ **Agreeing of financial information to audited records of the entity to which the local charter school is associated;**
- ✦ **Obtaining the charter school's methods of allocating revenues and expenses among various categories;**
- ✦ **Obtaining documentation supporting non-financial information, and;**
- ✦ **Reviewing the forms for compliance with instructions and applicable laws.**

In completing this agreed upon procedure, it may be necessary to add additional steps for any additional or alternative procedures considered appropriate. In this event, the additional or alternative procedures must be discussed with and agreed to by CSDE's Office of Internal Audit (see below) prior to the work being done. These procedures must also be explained in the workpapers and Independent Accountant's Report. All exceptions noted in performing any procedures should be investigated and resolved by appropriate means. In the absence of appropriate notations to the contrary, the signature or initials of the independent accountant who performed the procedure will indicate that there were no unresolved exceptions.

The data elements subject to these procedures under this program are also reviewed by the CSDE for clerical accuracy and for certain other aspects. The CSDE's review will continue beyond the date independent accountants are to render their reports and will often involve issues that are not communicated to the independent accountants who performed the examination. It is therefore expected that in many cases the CSDE will request charter schools to make adjustments after independent accountants have completed their procedures and rendered their reports. **For this reason, it is imperative that independent accountants include in their report a reference to the document dates (print date/time) which appear on the final internet application printouts. (See Pro Forma Accountant's Report).**

A number of quality assurance reviews may be performed. The independent accountant must retain all workpapers and the AUP Package for a **minimum of five years** from the date of the report. These workpapers must be made available to the CSDE, their independent accountants, or other parties performing a review under the State Single Audit Act. **The workpapers must be sufficient to support all work performed in this AUP Package.**

**NOTE:** Statute requires that this report must be submitted to CSDE on or before December 31, 2023. However, because December 31, 2023 falls on a Sunday and the following Monday is a Holiday, the AUP must be submitted on or before the next business day (Tuesday, January 2, 2024).

**THERE IS NO EXTENSION FOR THIS DEADLINE**

Failure to meet this deadline can result in a fine from \$1,000 to \$10,000 for the Charter School.

If the report is sent via email, the address is [grants.sde@ct.gov](mailto:grants.sde@ct.gov) (See Note 3 on Page 16). If it is sent by mail, it must be sent by certified, return receipt requested mail by January 2, 2024 to 450 Columbus Boulevard, Hartford, CT 06103 (See Step 17 on Page 12).

For questions concerning this AUP Package, please contact Tom Markoski, Office of Internal Audit, via email at [Tom.Markoski@ct.gov](mailto:Tom.Markoski@ct.gov) or phone (860) 713-6538.

**Note:** In some cases, the local board of education of the town in which the charter school is located may receive grant funds on behalf of the charter school. The local board has the option of passing on the grant funds to the charter school or providing the services from the grant revenue. If the services have been provided, the values of the services are reportable in EFS, but will not be found in the general purpose financial statements. For purposes of the reconciliation, it is only necessary to identify that amount as a reconciling item. Supporting documents for that amount will be reviewed in a step to be performed later.

**AGREED UPON PROCEDURES FOR PSIS DATA ELEMENTS**

The CSDE uses the PSIS to collect data regarding student enrollment throughout the state of Connecticut. The PSIS data is used for federal and state grants; PSIS data also connects to other CSDE data collection systems and is used for public reporting and analysis as well. The following steps were developed to test and confirm certain data elements within this PSIS system.

The independent accountant is required to obtain and agree the documentation which supports the September 30, 2022 enrollment data which was reported and certified to the CSDE through the PSIS system. For purposes of consistency and clarification, the following guidance as to adequacy of documentation is provided:

- ✚ School offices should provide adequate documentation to support student enrollment data contained in the PSIS system including but not limited to pupil personnel records, registration cards, report cards, class lists, invoices, etc..
- ✚ Proper coding of students such as Special Education, Pre-K, etc. should have adequate supporting documentation such as the items listed above.

If the independent accountant encounters a situation involving the unavailability of adequate documentation, Tom Markoski of the Office of Internal Audit must be contacted at (860) 713-6538 for consultation.
