SUBJECT: Audit Requirements – 2017-2018 Audits of Federal Awards and  
State Financial Assistance

The purpose of this letter is to advise grantees of the Connecticut State Department of Education (CSDE) of the audit requirements associated with Federal Awards and State Financial Assistance. A copy of this letter and the attachments should be provided to your auditor.

Please note that every entity which has received funding from the CSDE must submit the following:

- A Federal Single Audit if their expenditures meet or exceed \$750,000.
- A State Single Audit if their expenditures meet or exceed \$300,000.
- A Notification of Exemption for either the Federal Single Audit and/or State Single Audit (if their expenditures are below the applicable thresholds).

## **I. Federal Awards**

Audits must be conducted on the expenditure of all U.S. Department of Education (USDE) Awards, U.S. Department of Health and Human Services (HHS) and U.S. Department of Agriculture (USDA) Awards (Child Nutrition funds), in accordance with the Office of Management and Budget's (OMB) December 26, 2013 release of the Uniform Guidance for Federal Awards (Uniform Guidance) pursuant to the Single Audit Act Amendments of 1996. Audits must be submitted no later than six months after the close of the entity's fiscal year.

If the entity operates on a fiscal year which is other than July 1 - June 30, please notify the Office of Internal Audit in writing of the date of the fiscal year end. If you have notified us previously of your entity's fiscal year end, you need to provide this information again only if the fiscal year end has changed.

### **Code of Federal Regulations (CFR)**

The Uniform Guidance contains the set of cost principles and audit requirements that apply to grants and subgrants awarded to non-federal entities. Information regarding Grants Management Circulars and Uniform Guidance may be found at:

- [www.whitehouse.gov/omb/circulars](http://www.whitehouse.gov/omb/circulars)
- [www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200\\_main\\_02.tpl](http://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl)

### **Schedule of Expenditures of Federal Awards (SEFA)**

The purpose of the SEFA is to report distributions of federal awards. Separate schedules are required for expenditures of Federal Awards and expenditures of State Financial Assistance. It is imperative that the SEFA accurately identifies all federal programs. To this end, please report the proper Catalog of Federal Domestic Assistance (CFDA) numbers and account codes for all grant programs listed. The following may assist you in the completion of your SEFA:

- Attachment I contains a table that lists the CFDA title and number in addition to the CSDE award name and CORE-CT number. Please refer to this information when preparing the SEFA. The 2017-2018 Grant Award Listings are available on the CSDE web site at the Bureau of Fiscal Services' (BFS) Grant Payment Reports page:

<http://www.csde.state.ct.us/public/dgm/grantreports1/paydetMain.aspx>

- Attachment II contains instructions for accessing and printing the 2017-2018 Grant Award Listings.

### **Audit Exemption**

A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, however records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).

**\*\*\*Notifications of Exemption must be made in writing to the Office of Internal Audit (email to [sde.audit@ct.gov](mailto:sde.audit@ct.gov)) no later than six (6) months after the end of the entity's fiscal year and include a statement of the amount of federal awards expended\*\*\***

## **II. State Financial Assistance**

State Financial Assistance provided by the CSDE to municipalities for fiscal years which began on or after July 1, 2017 is to be audited pursuant to the 2009 revisions to the State Single Audit Act, Sections 4-230 through 4-236 of the Connecticut General Statutes (CGS), and applicable regulations.

- Non-state entities that expend \$300,000 or more in its fiscal year in State Financial Assistance must have a state single audit performed. Under certain circumstances, an auditee may elect to have a program-specific audit conducted. CGS Section 4-231 should be consulted for specific guidance relative to this option.
- Additional information regarding the legislative revisions to the State Single Audit Act may be found in Part i – Introduction of the [Compliance Supplement](#).

### **Schedule of Expenditures of State Financial Assistance**

The purpose of the Schedule of Expenditures of State Financial Assistance is the reporting of distributions of state financial assistance. As previously mentioned, separate schedules are required for expenditures of Federal Awards and expenditures of State Financial Assistance. The following may assist you in the completion of your Schedule of Expenditures of State Financial Assistance:

- An illustrative schedule can be found as Example 4 in “Part 9 – Illustrative Auditor’s Reports and Schedules for Local Governmental Entities - Municipalities and Audited Agencies and Nonprofit Organizations,” of the “Compliance Supplement to the State Single Audit Act For Fiscal Years Beginning On or After July 1, 2017” issued by the state Office of Policy and Management.

- Attachment II contains instructions for accessing and printing the 2017-2018 Grant Award Listings. A listing which identifies State Financial Assistance is available on the CSDE web site at the BFS's Grant Payment Reports page:  
<http://www.csde.state.ct.us/public/dgm/grantreports1/paydetlMain.aspx>
- Attachment III contains a table that lists the CSDE award name and CORE-CT number. Please refer to this information when preparing the Schedule of Expenditures of State Financial Assistance.

### **Audit Exemption**

Non-state entities that expend less than \$300,000 in its fiscal year in State Financial Assistance are exempt from the state audit requirements for that year. A State Single Audit Filing Exemption Notification must be submitted (See [Compliance Supplement](#) – Part 16) to the Office of Policy and Management (OPM) no later than sixty (60) days subsequent to the entity's fiscal year end. Additionally, records must be available for review or audit by appropriate officials of the state agency.

**\*\*\*Notifications of Exemption must be made in writing to the Office of Internal Audit (email to [sde.audit@ct.gov](mailto:sde.audit@ct.gov)) no later than six (6) months after the end of the entity's fiscal year and include a statement of the amount of State Financial Assistance expended\*\*\***

### **III. Audit Responsibility for Federal and State Prepayment Grants**

It is the responsibility of the grantee, as designated on the grant award letter, to provide an audit of financial awards/assistance. A question regarding audit responsibility sometimes arises in the situation:

A number of grantees each receive prepayment grants from the CSDE. Each grantee then gives its grant funds to another entity which contracts to operate a program and expend the funds on behalf of the individual grantees. In these cases, each grantee is responsible for providing an audit of its financial awards/assistance even though program disbursements were made by the contracted entity. This may be accomplished by one of the following:

- (a) The entity which operated the program may provide a schedule of expenditures and audit report to each grantee subject to the approval of each grantee's audit firm. Each audit firm may submit the entity's audit as an addendum to its audit report for the grantee. Please note that each grantee must provide an audit of its own financial awards/assistance, and its audited grant expenditures are not to be commingled with expenditures from funds of other grantees.
- (b) In the absence of an audit report from the entity which operated the program, the grantee's auditor must examine the entity's records and include a Statement of Cash Receipts, Total Expenditures, and any findings in the schedule submitted to the CSDE.

It is not sufficient to submit an audit report of CSDE funds indicating a lump sum amount as "expenditures" to another agency or institution.

**IV. Resolution of Differences Between Audit Amounts and Amounts Filed on Statement of Expenditures Report (ED-141) for Federal and State Grant**

Any differences between the ED-141 filed by the grantee with the CSDE and the audit report must be reconciled and resolved immediately. To facilitate this reconciliation process, the auditee must list the amount of the awards expended for each award year separately. If necessary, the grantee must file a revised ED-141 with CSDE.

**V. Audit Report Submission Instructions**

Audit reports must be submitted no later than December 31, 2018 via the Electronic Audit Report System (EARS). For entities that do not have a June 30<sup>th</sup> fiscal year end, audit reports must be submitted six months after the close of the fiscal year or by the extension date granted by the cognizant state agency.

**Electronic Audit Report System**

EARS is a web site made available by OPM to provide independent auditors an electronic process for uploading audit reports of their clients on-line. In addition, EARS allows State grantor agencies and the public to access and view the reports that have been filed.

- The filing on EARS for all parts of the audit reporting package to be submitted to OPM is mandatory.
- The EARS can be accessed at [www.appsvcs.opm.ct.gov/Auditing/Home.aspx](http://www.appsvcs.opm.ct.gov/Auditing/Home.aspx). Please contact the Municipal Finance Services Section of the Office of Policy and Management at 860-418-6400 if you should encounter any problems or have any questions.
- EARS also allows for the filing of financial audit reports and federal single audit reports that would normally be filed with other state agencies whether or not a State Single Audit report is being filed.
- Once an electronic version of the reports has been submitted on EARS no other Single Audit submission directly to CSDE is required.

### Federal Single Audit

OMB has issued a revised (May 2018) *2 CFR Part 200 — Compliance Supplement (Appendix XI)* for auditors to use in performing single and program-specific audits in accordance with 2 CFR Part 200, Part F — Audit Requirements.
