

# Requirements for Alternate Protein Products in the Child and Adult Care Food Program

This guidance applies to meals and snacks served in child care centers, family day care homes, emergency shelters, at-risk afterschool care centers, and adult day care centers that participate in the U.S. Department of Agriculture’s (USDA) Child and Adult Care Food Program (CACFP). For information on the CACFP meal patterns for children and crediting foods, visit the Connecticut State Department of Education’s (CSDE) [Meal Patterns for CACFP Child Care Programs](#) and [Crediting Foods in CACFP Child Care Programs](#) webpages. For information on the CACFP adult meal patterns and crediting foods, visit the CSDE’s [Meal Patterns for CACFP Adult Day Care Centers](#) and [Crediting Foods in CACFP Adult Day Care Centers](#) webpages.

Alternate protein products (APPs) credit as the meat/meat alternates component in the CACFP meal patterns. APPs are food ingredients that may be used alone or in combination with meat, poultry, or seafood. They are processed from soy or other vegetable protein sources and may be dehydrated granules, particles, or flakes. Some examples include soy flours, soy concentrates, soy isolates, whey protein concentrate, whey protein isolates, and casein. APPs may be used in the dry (nonhydrated), partially hydrated, or fully hydrated form.

APPs are generally used as part of a formed meat patty or in a vegetarian patty resembling a meat product. Examples of foods that might contain added APPs include beef patties, beef crumbles, pizza topping, meat loaf, meat sauce, taco filling, burritos, and tuna salad. Processed food items such as vegetarian burgers may contain APP, but the food item itself is not an APP because it contains other ingredients such as seasonings or breading. APPs do not include tofu, surimi, seitan, or tempeh.

A 1 ounce serving of a creditable APP provides 1 ounce of the meat/meat alternates component.

# Requirements for Alternate Protein Products in the CACFP

## Criteria for APPs

APPs must meet the USDA's requirements specified in [appendix A](#) of the CACFP regulations (7 CFR 226). These regulations specify that APPs may credit for part or all the meat/meat alternates requirement only if they meet the three criteria below.

1. The APP must be processed so that some portion of the non-protein constituents of the food is removed. This refers to the manufacturing process for APP. APP must be safe and suitable edible products produced from plant or animal sources.
2. The biological quality of the protein in the APP must be at least 80 percent of casein (milk protein), determined by performing a Protein Digestibility Corrected Amino Acid Score (PDCAAS). The PDCAAS is a method of evaluating protein quality.
3. The APP contains at least 18 percent protein by weight when fully hydrated or formulated. "When hydrated or formulated" refers to a dry APP and the amount of water, fat, oil, colors, flavors, or any other substances that have been added.

Menu planners cannot determine if an APP product meets the required criteria by reading the product's label. The labeling laws of the USDA's Food Safety Inspection Service (FSIS) and Food and Drug Administration (FDA) require manufacturers to list product ingredients, but percentage labeling is voluntary. For example, a product may list whey protein concentrate and hydrolyzed soy protein in the ingredients but will not indicate the percentage of these protein ingredients by weight. For more information, refer to the USDA's [Questions and Answers on Alternate Protein Products](#).

## Required Documentation for APPs

CACFP facilities must obtain documentation from the manufacturer that the product meets the APP criteria. Without appropriate documentation, APPs cannot credit in the CACFP.

Acceptable documentation includes any of the following:

- a Child Nutrition (CN) label;
- product formulation statement (PFS) from the manufacturer; or
- a signed letter from a company official attesting that the APP meets the USDA's requirements.

The manufacturer's documentation should include information on the percent protein contained in the dry alternate protein product and in the prepared product. For an APP product mix, manufacturers should provide information on the amount by weight of dry APP in the package, hydration instructions, and instructions on how to combine the mix with meat or other meat alternates.

# Requirements for Alternate Protein Products in the CACFP

The USDA's *Questions and Answers on Alternate Protein Products (APP)* provides additional guidance on documenting the APP requirements. For information on CN labels and PFS forms, refer to the CSDE's *Using Product Formulation Statements in the CACFP* and *Using Child Nutrition (CN) Labels in the CACFP*, and the USDA's *Tips for Evaluating a Manufacturer's Product Formulation Statement*.

## Considerations for Reducing Choking Risks for Young Children

Children younger than 4 are at the highest risk of choking. Some foods that contain APPs may be choking hazards. Examples include tube-shaped meats like hotdogs, sausage, and meat sticks. Consider children's age and developmental readiness when deciding what types of APP foods to offer in CACFP menus. For additional guidance, visit the "[Choking Prevention](#)" section of the CSDE's [Food Safety for Child Nutrition Programs](#) webpage.

For more information, visit the CSDE's [Crediting Foods in CACFP Child Care Programs](#) and [Crediting Foods in CACFP Adult Day Care Centers](#) webpages, or contact the [CACFP staff](#) at the Connecticut State Department of Education, School Health, Nutrition and Family Services, 450 Columbus Boulevard, Suite 504, Hartford, CT 06103-1841.

This document is available at [https://portal.ct.gov/-/media/SDE/Nutrition/CACFP/Crediting/APP\\_Requirements\\_CACFP.pdf](https://portal.ct.gov/-/media/SDE/Nutrition/CACFP/Crediting/APP_Requirements_CACFP.pdf).

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/USDA-OASCR%20P-Complaint-Form-0508-0002-508-11-28-17Fax2Mail.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

1. **mail:** U.S. Department of Agriculture  
Office of the Assistant Secretary for Civil Rights  
1400 Independence Avenue, SW  
Washington, D.C. 20250-9410; or
2. **fax:** (833) 256-1665 or (202) 690-7442; or
3. **email:** [program.intake@usda.gov](mailto:program.intake@usda.gov)

This institution is an equal opportunity provider.

The Connecticut State Department of Education is committed to a policy of affirmative action/equal opportunity for all qualified persons. The Connecticut Department of Education does not discriminate in any employment practice, education program, or educational activity on the basis of age, ancestry, color, civil air patrol status, criminal record (in state employment and licensing), gender identity or expression, genetic information, intellectual disability, learning disability, marital status, mental disability (past or present), national origin, physical disability (including blindness), race, religious creed, retaliation for previously opposed discrimination or coercion, sex (pregnancy or sexual harassment), sexual orientation, veteran status or workplace hazards to reproductive systems, unless there is a bona fide occupational qualification excluding persons in any of the aforementioned protected classes.

Inquiries regarding the Connecticut State Department of Education's nondiscrimination policies should be directed to: Levy Gillespie, Equal Employment Opportunity Director/Americans with Disabilities Coordinator (ADA), Connecticut State Department of Education, 450 Columbus Boulevard, Suite 505, Hartford, CT 06103, 860-807-2071, [levy.gillespie@ct.gov](mailto:levy.gillespie@ct.gov).
