**December 18, 2020**

The sponsors listed below operate Summer Food Service Program (SFSP) or Seamless Summer Option (SSO) sites that will serve meals to children during the school year 2020-21 winter break. Any child age 18 years or younger can receive meals during the winter break at no cost to families from any meal service and distribution sites in these towns/cities. Children do not have to be a resident or attend school in these towns/cities.

This list is not inclusive of all sites that may be operating during winter break. Households should visit websites and social media pages of the school districts and municipalities below to determine if sites are serving meals during winter break. **Locations and times for meal service and distribution vary with each location, and are subject to change as programs continue to adapt to demand and changing logistics.**
