

Dairy alternative beverages sold as PART OF SCHOOL MEALS AND SEPARATELY FROM SCHOOL MEALS must comply with Section 10-221q of the Connecticut General Statutes (C.G.S), the U.S. Department of Agriculture (USDA) regulations for school meals, and the USDA Smart Snacks nutrition standards for competitive foods. Nondairy beverages must comply with the USDA nutrition standards for fluid milk substitutes (see Allowable Milk Substitutes for Children Without Disabilities in School Nutrition Programs (<http://portal.ct.gov/-/media/SDE/Nutrition/NSLP/SpecDiet/Milksub.pdf>)). They cannot contain artificial sweeteners and cannot exceed 4 grams of sugar per fluid ounce, 35 percent of calories from fat, and 10 percent of calories from saturated fat. These requirements apply to all public schools, regardless of whether the district implements Healthy Food Certification (HFC) under C.G.S. Section 10-215f. The Connecticut State Department of Education (CSDE) encourages schools to choose products that also meet the "Better Choice" recommendations (see green and white columns on right).

This list includes products that comply with STATE AND FEDERAL requirements. Product formulations and packaging can change. The nutrition information below is based on the package label or manufacturer information supplied at the time of product review. If this information does not match the product label, please submit the product's nutrition information to the CSDE. For more information, see Submitting Food and Beverage Products for Approval (<https://portal.ct.gov/-/media/SDE/Nutrition/HFC/FBlist/SubmitProduct.pdf>).

The CSDE's List of Acceptable Foods and Beverages is updated regularly and is subject to change. To assist in identifying new items added since the previous edition of this list, the manufacturer and food item (first two columns) of all new items are highlighted in pink. For contact information for listed vendors, see Contact Information for Vendors (<https://portal.ct.gov/-/media/SDE/Nutrition/HFC/FBlist/VendorContact.pdf>).

For additional information on complying with the state beverage statute, see the CSDE's handouts, Allowable Beverages in Connecticut Public Schools (<https://portal.ct.gov/-/media/SDE/Nutrition/CompFoods/AllowableBeverages.pdf>) and Questions and Answers on Connecticut Statutes for School Food and Beverages (<https://portal.ct.gov/-/media/SDE/Nutrition/HFC/CTStatutesQA.pdf>), and the CSDE's Beverages webpage (<https://portal.ct.gov/SDE/Nutrition/Beverage-Requirements/Documents>).

DAIRY ALTERNATIVE BEVERAGES,
including soy milk, rice milk and other
nondairy milks

ELEMENTARY: Portion size limit of 8 fluid ounces

MIDDLE AND HIGH: Portion size limit of 12 fluid ounces
