PART I: 2015-16 1003(a) APPLICATION OVERVIEW

1. PURPOSE

The Connecticut State Department of Education (CSDE) is seeking to assist local education agencies (LEAs) in dramatically improving student achievement in their lowest-performing schools by making targeted investments in schools pursuing comprehensive and transformative improvement plans.

2. GRANT PERIOD

The anticipated grant period is May 15, 2015 – September 30, 2016. Federal 1003(a) funds awarded through this competitive grant process must be expended or obligated by September 30, 2016, and liquidated within 60 days of the end date of the grant. Grant recipients will automatically be considered for a second year of funding, contingent upon available funds, implementation effectiveness, and 2015-16 results.

3. ELIGIBLE APPLICANTS

Applications will be accepted from LEAs on behalf of their Turnaround and/or Focus school(s). An LEA must submit a separate application for each school the district would like to have considered for competitive 1003(a) funds. Please visit the CSDE’s website for a list of eligible Turnaround and Focus schools. Review schools are not eligible to submit an application.

Schools that applied for and received 1003(a) funds during the 2014-15 school year will automatically be considered for a second year of funding during 2015-16. Pending a successful review of school data during Quarter 3 Alliance District monitoring meetings, 2014-15 grant recipients may be asked to submit a budget proposal for up to $200,000 in new 1003(a) funds during the 2015-16 school year. Successful 2014-15 grant recipients need not apply for a continuation of funds during 2015-16; the CSDE will make Year 2 funding determinations based on school implementation effectiveness, progress, and data.

4. FUNDING AND USE OF FUNDS

Eligible applicants may submit an application for up to $200,000 per school in 1003(a) funding. This competitive grant application requires LEAs to describe how such funds would support bold reform efforts at the school level. Funding requests must support at least one of the following objectives:

1. **Talent:** Employ systems and strategies to recruit, hire, develop, evaluate, and retain excellent school leaders, teachers, and support staff.

2. **Academics:** Design and implement a rigorous, aligned, and engaging academic program that allows all students to achieve at high levels.

3. **Culture and Climate:** Foster a positive learning environment that supports high-quality teaching and learning and engages families and the community as partners in the educational process.

4. **Operations:** Create systems and processes that promote organizational efficiency and effectiveness, including through the use of time and financial resources.
The awarding of funding is contingent upon an application's selection on the basis of the criteria described in Sections 5-6 and Appendix B of this RFP, the availability of funds, and approval by the CSDE. The CSDE may choose to fund all, some, or none of the total funding request. In awarding federal 1003(a) funds, the CSDE may give preference to schools not receiving other competitive grant funding (e.g., Commissioner Network funds, federal School Improvement Grant 1003(g) funds). The CSDE may also give preference to LEAs that demonstrate a substantial local investment in the school’s turnaround efforts. LEAs may demonstrate a local investment by describing, in the Budget Proposal, how the district will use local, Alliance District, Priority School District, Title I, and/or other local, state, federal, and private grant funding to support the successful implementation of the school’s improvement plan. Please note that federal 1003(a) funds may not be used to supplant other funding already committed by the district.

5. APPLICATION REQUIREMENTS

A. Required Format: All applications must be completed using the Excel template found on the CSDE’s Alliance District webpage, including the following components:

1. Cover and Needs Analysis (Tab 1, Excel Template)

   The application must summarize the school’s strengths and growth areas, citing specific data and evidence. Strategies and expenditures proposed in the School Improvement Plan and Budget Proposal sections must reflect school data and needs identified in the needs analysis.

2. School Improvement Plan (Tab 2, Excel Template)

   The plan must describe school priorities, aligned strategies, and measurable goals to advance school performance and student achievement in the following areas: (1) talent; (2) academics; (3) culture and climate; and/or (4) operations. Please ensure close alignment between the School Improvement Plan and 1003(a) Budget Proposal.

3. Budget Proposal (Tab 3, Excel Template)

   Complete a budget proposal using the ED 114 budget template. Using the budget template, explain how the LEA proposes to invest 1003(a) funds to execute the School Improvement Plan and drive significant gains in student achievement. Summarize the proposed costs and provide a detailed justification for each of the proposed investments (e.g., number of FTEs, number of units, cost per unit). Include any district efforts to invest other local, state, federal, and/or private grants funds in the school turnaround effort to support the sustainability of 1003(a) investments. Please ensure budget proposals align to guidance provided in the Local Fiscal Processing Manual and to the Uniform Chart of Accounts (guidance available here: http://www.sde.ct.gov/sde/lib/sde/PDF/dgm/payments/lfpm.pdf).

4. Statement of Assurances (see application Appendix A)

   Review and sign the Statement of Assurances found in Appendix A of this RFP.

B. Minimum Submission Requirements:

   Any application that does not meet the following requirements will be deemed unacceptable and ineligible for further review and consideration:

1. Being an eligible applicant, as defined in Section 3.
2. Submitting a complete application by following the required format, as described in Section 5.A.
3. Meeting the submission deadline of Friday, April 24, 2015, at 4:00 PM EST.

Applications that do not comply with these requirements may be considered non-responsive and excluded from review. Omission of any required document or form, failure to use required formats for response, or failure to respond to any requirements may lead to rejection of the proposal prior to any formal review. The CSDE reserves the right to make grant awards under this program without discussion with the applicants. Therefore, proposals should represent the applicant’s best effort from both a technical and cost standpoint.

C. Questions:
Any and all questions regarding this application should be directed to: Michelle Rosado, Turnaround Office, Michelle.Rosado@ct.gov.

D. Submissions:
All applications (Excel template and Appendix A: Statement of Assurances) must be submitted by e-mail to SDEAllianceDistrict@ct.gov. All applications must be received by 4:00 PM on Friday, April 24, 2015.

E. Freedom of Information:
All complete applications shall become the sole property of the State and will not be returned. All of the information contained in an application is subject to the provisions of the Freedom of Information Act (FOIA), Section 1-200 et seq. of the Connecticut General Statutes. FOIA declares that, except as provided by federal law or state statute, records maintained or kept on file by any public agency (as defined in statute) are public records and every person has a right to inspect such records and receive a copy of such records in accordance with the terms of FOIA.

6. SELECTION CRITERIA

Using the rubric presented in Appendix B, a selection committee will review and score all applications that meet the minimum submission requirements, as described in Sections 5.A-B. All awards are subject to the availability of funds. Grants are not final until the award letter is executed. Given the number of eligible applicants, the CSDE anticipates a highly competitive process resulting in funding being awarded to only those applicants submitting well-developed applications and transformative plans.

APPENDIX B: APPLICATION RUBRIC

Overview
1003(a) applications will be evaluated using the criteria outlined below. Each section of the application will be rated as: 0 – Below Standard; 2 – Developing; 4 – Proficient; or 6 – Exemplary. 1003(a) is a competitive grant, and awards and award amounts will be based on the quality and transformative potential of the application.

Rating Key/Points Available:

0 Points – Below Standard: The response lacks meaningful detail, demonstrates a lack of preparation, or otherwise raises substantial concerns about the applicant’s understanding of the issues in concept and/or ability to meet the requirement in practice. Proposed strategies are not transformative in nature.

2 Points – Developing: The response lacks critical details in certain areas. The response requires additional information in order to be considered reasonably comprehensive and transformative, and to demonstrate a clear vision for the school.

4 Points – Proficient: The response indicates solid preparation and a grasp of the key issues, as demonstrated by a comprehensive and sufficiently transformative response. It provides a clear, realistic picture of how the school will operate. The response somewhat demonstrates the applicant’s ability to execute the vision described in the response.

6 Points – Exemplary: The response reflects a thorough understanding of key issues and alignment to school needs.
