# RSCO TRANSPORTATION INFORMATION

The Regional School Choice Office (RSCO), in partnership with the Capitol Region Education Council (CREC), coordinates transportation for students enrolled in RSCO schools and programs. CREC manages one of the most complex school transportation systems in the country, serving approximately 14,000 students enrolled in 180 different schools within 43 school districts covering more than 1,100 square miles.

Transportation is provided to students in grades K–12 within the RSCO Transportation Zone. Once a child/student is registered in a RSCO school or program, and if they are eligible, they will be notified by the RSCO Transportation Office before the start of the school year of their transportation pick up and drop off times and locations. For additional information, contact the RSCO Transportation Office by e-mail at [rscotransportation@crec.org](mailto:rscotransportation@crec.org), telephone at 860-524-4077, or visit their website at [crec.org/transportation/rsco.php](http://crec.org/transportation/rsco.php).

The RSCO Transportation Zone establishes borders and identifies the names and locations of magnet schools, Open Choice programs, Connecticut Technical Education and Career System (CTECS) schools, and Agricultural Science and Technology Education (ASTE) schools in the Greater Hartford Region.

## Transportation Options for Out-of-Zone Families

Parents/guardians who do not live in a RSCO transportation zone town (see map) have two options:

- Option 1:** Transport the child/student themselves to and from school, and then request a stipend that will be paid over the summer based on the child/student's attendance
- Option 2:** Transport the child/student to the closest available stop located within the RSCO's transportation zone. There is no stipend for option 2.
