

RSCO LATE APPLICATION SCHOOLS & OPEN CHOICE PROGRAM

The period for submitting an on-time application ended on February 9, 2020, however, **families may continue to submit applications for the schools and grade levels listed below, beginning February 18, 2020 through July 31, 2020.** As indicated in the RSCO materials, applications submitted during this period are considered for placement *only after all on-time applicants for the school or program have been offered a placement* in available seats. For information about the number of available seats, [please refer to prior year available seat data for guidance](#) in choosing schools for late application to increase the likelihood that a seat may become available. **Note: The late application is available to applicants who did not submit an application by February 9, 2020.** Applicants who submitted an application during the on-time period may not submit a late application.

RSCO schools, grade levels, or programs **may be removed from the list** of eligible placements for late application submission as the admissions cycle progresses. The RSCO Late Application Schools & Open Choice List PDF will be updated periodically with new information. Schools are listed by grade level.
