

Transportation Information

Transportation Zone Map

Students that attend a school choice program (Magnet, Open Choice, Technical High School, or Agricultural Science and Technology Centers) in the Greater Hartford Region and live in one of the towns in the Transportation Zone Map will receive transportation services from either their local town or RSCO Transportation.

Students that attend a school choice program (Magnet, Open Choice, Technical High School, or Agricultural Science and Technology Centers) in the Greater Hartford Region and **do not live** in one of the towns in the Transportation Zone Map should contact RSCO Transportation for transportation options.

RSCO Transportation
