FINAL DECISION AND ORDER

ISSUES:

1. Did the district provide student with FAPE during the 2018-2019 school year, in that the nurse directly spoke to the minor's child's GI doctor, that an aide was not present on the bus, and that the student was inappropriately placed in a seclusion room?
2. If the Board has not provided a free appropriate public education, is transfer to Brookside elementary school and transportation a proper remedy for the effects of the District's deprivations of FAPE during all periods relevant to this request for due process?
