Transition from Part C to Part B
During the COVID-19 Health Emergency

Child is eligible for B23 services and will be turning 3.

If referred to B23 prior to 90 days before turning 3, B23 convenes a transition conference and the LEA participates.

LEA convenes a referral PPT (PPT1) to develop a comprehensive evaluation in all areas of suspected disability. Can a comprehensive evaluation be completed?

- NO: After careful consideration, team determines that a comprehensive evaluation cannot be completed.
  - B23 is able to continue to provide supports to the family.
    - A comprehensive evaluation will be conducted by the LEA when it is safe to do so given public health mandates.
    - Eligibility PPT is convened (PPT2).
  
- YES: The team determines that a comprehensive evaluation can be completed.
  - The LEA convenes an eligibility PPT (PPT2), Is the child eligible?
    - YES: PPT develops an IEP and it is implemented. B23 supports continue until the IEP is implemented.
      - Child found eligible for Part B IDEA.
    - NO: Child is not eligible for IDEA Part B and is no longer eligible for B23.
