2021-2022 Person-Centered Planning: Implementation of Charting the LifeCourse

In this free, interactive, hands-on virtual session, we will take a deeper dive into Charting the LifeCourse. Participants will:

- Understand the various ways to utilize Charting the LifeCourse to support student outcomes and partner with families.
- Discover ways to integrate Charting the LifeCourse within their organization – district, building, classroom, pre-service, professional development.
- Be expected to participate in group discussions and share their experiences with this process.
