

# 2021-2022 Person-Centered Planning: Introduction to Charting the LifeCourse

Charting the LifeCourse, a universally-designed, person centered planning framework, is a tool to assist individuals and families of all abilities and ages to develop a vision of a good life. Participants in this session will understand the importance of person-centered/futures planning, become familiar with the LifeCourse tools, and how to use them to support the development of the Individualized Education Program (IEP) and Transition Planning.
