Secondary Transition Webinar Series

This 5-part webinar series will provide a plethora of activities, strategies, and resources to assist with secondary transition services within the variety of learning models being utilized. The modules include:

- Secondary Transition & Webinar Series Overview
- Secondary Transition Assessments: How to Maintain Effectiveness
- Strategies & Resources for Supporting Postsecondary Education/Training Goals
- Strategies & Resources for Supporting Employment Goals
- Strategies & Resources for Supporting Independent Living Skills Goals

All middle and high school special education teachers and/or transition specialists preparing students with disabilities for post-school options are welcome to participate in this course.

Canvas is the Learning Management System (LMS) where our session's materials and activities will take place. SERC's Canvas installation is located at <https://ctserc.instructure.com>.
