| EdSight*    | Public         | Public           | Aggregate data including enrollment, attendance, educator information, course-taking, graduation rates, summative assessment results, Connecticut Report Cards, Next Generation Accountability Reports, Condition of Education, etc. | - The [Connecticut Report Card (CRC)](https://www.creports.com) is available on the landing page. The CRC for every district, school, and the state provides trends on metrics including enrollment, absenteeism, suspension/expulsion, expenditures, achievement, accountability, graduation, and college readiness.  
- The Next Generation Accountability reports are also available on the landing page. These reports are available by state, district and school.  
- Profile and Performance Reports (PPRs) are available on the landing page. PPRs include every subgroup performance index.  
- When necessary, values are suppressed to maintain confidentiality. |
| EdSight Secure | ID/Password Required | District-level and school-level users | Student-level information for Connecticut SAT School Day, Smarter Balanced Achievement, Smarter Balanced Growth, LAS Links Achievement, LAS Links Growth, CMT/CAPT Science, NGSS, Early Indication Tool (EIT), Student Summary, FAFSA Completion, Educators with Active Endorsements | - There is no data suppression.  
- The Connecticut SAT School Day roster includes cancelled scores.  
- The Smarter Balanced Achievement reports include growth targets, an October 1 indicator, the High Needs flag, and a current/tested district filter.  
- The system incorporates data visualization tools including trend graphics.  
- The system includes a search by SASID or student last name.  
- All data files can be exported and used with other software programs.  
- Access must be authorized by the Superintendent. |

* The public reports page, [www.ctreports.com](http://www.ctreports.com), which contained legacy assessment data back to 2000-01 was recently phased-out so it is no longer available.

** Beginning in the 2020 – 21 school year, this portal will be discontinued and all summative assessments delivered by the Cambium Assessment, Inc. will be reported on the Cambium AIRWays Reporting System.

***Beginning in the 2020 – 21 school year, this portal will be the only reporting portal for assessments delivered by Cambium Assessment, Inc.

| **Cambium AIRWays Reporting System*** | ID/Password Required | District-level, school-level and teacher-level users | Student-level data for the interim assessments. See the AIRWAYS Users Guide for more information. | • Allows for item analysis and reporting of the Smarter Balanced interim assessments.  
• NOTE: In fall 2020, the Cambium Online Reporting System will be phased out and all summative assessment results for Student-level information for NGSS, CTAA, CTAS, and Smarter Balanced will be housed in the Cambium AIRWays Reporting System. |
|---|---|---|---|---|
| **Test Information Distribution Engine (TIDE)** | Password Required | District-level, school-level and teacher-level users | Manage student information, and user information for the Cambium Test Delivery System. Access to summative assessment scores for NGSS, CTAA, CTAS, and Smarter Balanced. | • TIDE system is used to support state, district, and school test coordinators throughout the testing process, from test preparation, to test administration, to post-administration.  
• Features included in TIDE allow test coordinators to manage user information, student test settings, order testing materials, track orders, monitor test progress, and execute administrative functions such as test resets or reopens.  
• TIDE includes features that allow users to manage user and student information, order testing materials, track orders, monitor test progress, and execute administrative functions such as test resets or reopens. See TIDE User Guide for more information. |
