# QUICK START GUIDE

**LEXILE** **QUANTILE**

# Quantile Resource Center

*Take a look at the resources you have saved. You can sort, filter, and remove resources.*

hub.lexile.com/quantile-resources-center

## View Your Quantile Resources

### SAVED RESOURCES

To access saved resources, navigate to your Quantile Resource Centerby clicking the Quantile Resource icon at the top right of Quantile Math@Home, Quantile Teacher Assistant, Quantile Find Your Lesson, and Quantile Math Skills Database tools. The Saved Resource tab is open by default.

- Saved resource details include: Name, Format, and Associated QSCs.

### FILTER RESOURCES

Filter your resources by selecting All QSCs or an individual QSC ID from the *Filter by QSC* dropdown menu. Filter by Resource Type by selecting the box of your preferred type(s): Downloadable, Web, and Book Periodical Print.

## Manage Your Resources

.

### REMOVE RESOURCES

- To remove a saved resource, select the box to the left of the resource name you want to delete.
- Next, click the **Remove** button. Then confirm removal.

### CREATE A NEW LIST

Premium members can create lists to share with others.

- Select the boxes to the left of the resources' names you want to add to a new list.
- Next, click the **Create New List** button.
- A dialogue box will appear. Type a name for your new list. You have the option of adding a description. Click **Create**.
- A pop-up message will appear with your list's public URL.

### MANAGE YOUR LISTS

- To add a resource, select the box to the left of the resource name you want to add. Next, click the **Add to List** button.
- To move a resource, select the box to the left of the resource name. Next, click the **Move To** button. Select the new list, then click **Close**.

**Note:** Feature for Premium members only.
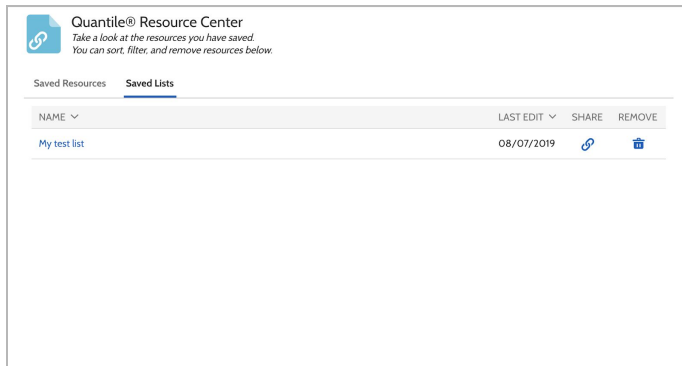

# Share Saved Lists

**ACCESS URL FOR SHARING**
- From the *Saved Lists* tab, click the linked chain icon to the right of the list's name.
- A pop-up message will appear. Copy the Resource Link by clicking **Copy Link**.
- Share your Resource Link with students, parents, or colleagues using your preferred method (email, Twitter, etc.).

**Note:** Feature for Premium members only.

# Delete Saved Lists

**REMOVE UNWANTED RESOURCES**
- From the *Saved Lists* tab, click the garbage can icon to the right of the list's name.
- A pop-up message will appear confirming the deletion. Click **Delete** to remove the list or **Cancel** to keep the list.

**Note:** Feature for Premium members only.
