

EPCRA TIER II REPORTING IN CONNECTICUT

REPORTS DUE MARCH 1, 2023 FOR REPORTING YEAR 2022

**Presented by: Diane Duva, Director, Emergency Response Planning Office
Bureau of Materials Management and Compliance Assurance**

EMERGENCY PLANNING AND COMMUNITY RIGHT-TO-KNOW ACT (EPCRA)

TIER II REPORTS

- Tier II Chemical Inventory Reports provide state and local officials and the public with specific information on the amounts and location of hazardous chemicals at a facility during the previous calendar year to inform preparedness and planning.
- Availability of information increases effectiveness of coordination between state and local officials so that communities are better prepared for chemical emergencies.

Statutory requirement:

[Chapter 446l - Emergency Response Commission \(ct.gov\)](#)
