CERTIFICATE for OPENING of the POLLS

Date/Time: 11/3/15 Time: 6 PM

Tabulator Carrying Case Seal #: 692873
Memory Card Seal: 692875
Ballot Packages Received: 17

We, the undersigned Election Officials certify that the Moderator appeared at the office of the Registrar of Voters not later than 8 p.m. of the day before the election or primary and received a copy of the "Report for Pre-Election Tabulator & Memory Card Testing" and other supplies necessary to conduct the election or primary that were not previously delivered.

We further certify that we inspected the seal located on the front of the tabulator and found it to be unbroken and also found that said seal is the same seal recorded on the "Report for Pre-Election Tabulator & Memory Card Testing" and that we prepared the tabulator for voting in accordance with the opening procedures in Appendix D.

We further certify that before the polls opened the tabulating tabulator was turned on and produced a tape correctly stating the TOWN, STATE DATE, and VOTING DISTRICT; setting forth "BALLOTS CAST" total of "000", accurately setting forth all offices, accurately setting forth the name of each candidate; identifying each Question to appear on the ballot; accurately setting for a "WRITE-IN" line for each office group; accurately setting forth vote totals of "0000".

We further certify that the display on the front of the tabulator showed the voting district number and a count of "0".

CERTIFICATE for CLOSING of the POLLS

We, the undersigned Election Officials certify that after the polls were closed, the voting tabulator was closed and secured against further voting in accordance with the closing procedures in Appendix D.

We further certify that the memory card seal on the front of the tabulator had not been broken.

We further certify that the Moderator fed all remaining ballots that were eligible to be counted into the tabulator for processing.

We further certify that the tabulator thereupon produced an "ELECTION RESULTS REPORT" setting forth: the town, voting district, election class and vote totals for each candidate and question on the ballot.

We further certify that any ballots which could not be processed by the tabulator and any ballots containing write-in votes were hand counted by two election officials from different parties.

We further certify the the number on the public count after all ballots that could be fed into the tabulator were processed, the number on the seals applied to the ballot transfer case(s) and tabulator carrying case(s), and the number of absentee and election day registration ballots (if counted at this location) which were tabulator processed in whole or in part are as recorded below.

Once all votes for each candidate and question have been counted either by tabulator or by hand all vote totals were recorded on the tally sheet and all final vote totals for each candidate and question was announced by the Moderator to all those present.
