TO ALL TOWN CLERKS:

Re: Federal Write-In Absentee Ballot (FWAB - blank)—Connecticut accepts
for only federal offices.

Acceptance of the Federal Write-In Absentee Ballot ("FWAB")

Although Connecticut is exempt from accepting the FWAB pursuant to Section 103(f) of P.L. 99-410 and the Report of the Committee on House Administration, 99th Congress, 2nd Session, Report 99-765 at page 17, we advise you to accept the FWAB this year (election and primary) for only federal offices.

Connecticut has a history of providing all members of the military with sufficient opportunity to cast their ballot. We have in the past counted the FWAB from certain APO/FPO zip codes because of emergency measures approved by the Federal Voting Assistance Program. In addition, continued acceptance of the FWAB is consistent with the passage of the recent MOVE Act.

Authority to Accept the FWAB

Federal law authorizes the counting of FWAB’s provided a Federal Post Card Application (FPCA) or Application for Absentee Ballot (ED-3) was on file with the town clerk within one year of an election. The Federal Voting Assistance Program recommends that we recognize the detailed Voter’s Declaration/Affirmation on the outside of the FWAB (received up to and including election and primary day) as an application for an absentee ballot for federal offices at an election or primary. In addition, Connecticut General Statutes §9-153d(b) allows town clerks to direct overseas ballots without an application if the original signed application is received prior to election or primary day.

FWAB Process

FWAB’s from all zip codes outside the U.S. should be counted as ballots for federal office only, even if the applicant is not a registered elector. Such FWAB’s can be treated as Overseas Ballots.

Use of FWAB by an Elector in Town

If the person who has filed a Federal Write-in Absentee Ballot is an elector in the town, a notice should be sent to the voter notifying the voter that: (a) Connecticut is authorized to count FWAB’s only for Federal offices, (b) a Connecticut ballot is being or will be issued beginning on a certain date and (c) he must return the completed Connecticut ballot if he wishes to vote for state and municipal offices.

If a Connecticut absentee ballot has not previously been issued and is available, fill out and file a Direction by Registrar Form ED-12 and send the Connecticut absentee ballot (separately from the notice).
**Use of FWAB by a Non Elector**

If the individual who filed the Federal Absentee Write-in Ballot is not an elector in the town, the town clerk should: (a) fill out and file a Direction by Registrar Form ED-12 and send the Connecticut absentee ballot when available and (b) (separately from the absentee ballot) send to the voter a notice explaining that: (1) Connecticut is authorized to count FWAB's only for Federal office, (2) a Connecticut ballot is being or will be issued beginning on a certain date and (3) he must return the completed Connecticut ballot if he wishes to vote for state and municipal offices.

Along with the notice above, the ED-20 “Application for Voter Registration” and corresponding return envelope ED-22 should also be sent. The town clerk should ask that the ED-20 or FPCA be returned (separately from the Connecticut Ballot) by 5:00 p.m. on the day before the election or primary.

**Use of FWAB within the U.S.**

If the FWAB cannot be counted because the FWAB was mailed from within the U.S., the town clerk should: (a) notify the voter that the FWAB cannot be counted and that a Connecticut Absentee ballot is being sent and must be returned by 8:00 p.m. on election or primary day, (b) fill out and file a “Direction by Registrar” Form ED-12 and send the Connecticut absentee ballot (separately from the notice) when available, and (c) if the individual is not a registered elector, enclose with the notice ED-20 “Application for Voter Registration” application and notify the applicant that the application must be returned by 5:00 p.m. on the day before the election or primary. The town clerk should then write on the outside of the FWAB "Rejected by town clerk because submitted from within the U.S." Important Note: an APO/FPO address is considered outside the U.S. (42 USC 1973ff)

A suggested form ED-669a is enclosed for your use. Also enclosed is a copy of the FWAB forms.

**Counting FWAB's**

The following procedure is to be used for Checking and Counting FWAB's received from anywhere outside the U.S. (Important Note: an APO/FPO address is considered outside the U.S.).

A. If the individual who returned a FWAB lists a residence in town and is not a registered elector by 5:00 p.m. of the day before the election or primary, the town clerk shall give his name and address to the registrars to add to the list of Overseas Voters to be attached to the check list of the proper voting district (9-158j)

B. The town clerk shall make a copy of the Voter's Declaration appearing on the FWAB outer envelope and file the copy with the applications for absentee and overseas ballots.

C. The town clerk shall hold all FWAB's for the 8:00 p.m. count.

D. If a full Connecticut absentee ballot is returned by 8:00 p.m. on election or primary day by an individual who voted a FWAB and who is also an elector by 5:00 p.m. of the day before the election or primary, the town clerk shall write on the envelope for the FWAB received from such individual "Rejected by town clerk because full ballot returned on time". (9-153b, 9-153d, 42 USC 1973ff) At 8:00 p.m. on election or primary day, the counters shall not open such FWAB envelope, but shall check off the full ballot on the check list and count all offices voted on the full absentee ballot.
E. At 8:00 p.m. on election or primary night, the town clerk shall deliver all FWAB's (sorted by voting district) to the registrars to deliver them to the counters. The counters shall treat all FWAB's as Overseas Ballots and list them on the Moderator's Return as Overseas Ballots. If by 8:00 p.m. on election or primary day the town clerk does not receive a full absentee ballot from such an individual who returned an FWAB, and if the FWAB has not been rejected, the counters shall check off the FWAB on the check list and count (for the offices of Electors of President and Vice-President, United States Senator and Representative in Congress only, where applicable) the FWAB. The counters shall not open any FWAB's that have been rejected by the town clerk and shall report them on the Moderator's Return in the "Total Ballots Rejected" column.

IMPORTANT THIS CONCERNS YOUR RIGHT TO VOTE BY ABSENTEE BALLOT

The Town Clerk received your Federal Write-In Absentee Ballot (FWAB). Connecticut is authorized to count such ballots only for federal offices for the election and primary.

(Town Clerk to check appropriate paragraphs)

[ ] 1. If you are a voter of this town, we have directed to you (or will direct to you) on of the following date __________, 2018:
   (a) a Connecticut Blank Ballot (ED-81a) together with a list of candidates as soon as the list of candidates is available, or

If you wish to vote for state and municipal offices, you must return your completed Connecticut Ballot by 8:00 p.m. on election or primary day.

[ ] 2. If you are not a voter of this town, we are enclosing an application to register as a voter in Connecticut (ED-20) and a return envelope (ED-22). If you are not a voter of this town, your Connecticut Ballot (ED-1 or ED-81a) (which we are sending separately) will not be counted unless:

Please return your ED-20 (or FPCA) separately from your absentee ballot. If you wish to vote for state and municipal offices, you must return your completed Connecticut Ballot by 8:00 p.m. on election or primary day.

[ ] 3. We are not permitted to count your FWAB because your FWAB was submitted from within the U.S. Consequently, your Connecticut ballot (ED-1 or ED-81a) (which we are sending separately) must be returned by 8:00 p.m. on election or primary day (and if you are not a voter in this town, your FPCA with original signature [or ED-20, which we are enclosing] must be returned by 5:00 p.m. of the day before the election or primary). [Note: An APO/FPO address is considered outside the U.S.]

Instructions for Voter's Declaration/Affirmation

The gray numbers and instructions below correspond to the gray-numbered boxes on the face of the form.

In most States, you must have registered and requested an absentee ballot from your voting jurisdiction to use this form. If you have not done this, you cannot use this form unless your State allows voter registration via the FWAB. If your State does not allow you to register to vote using this form and you have not already submitted a Federal Post Card Application or registered/requested an absentee ballot by other means, your FWAB will not be counted.

The classification you choose may determine in which election(s) you will be allowed to vote. Choose the one that best represents your current situation.

The information you enter for your name should match the information you used to register to vote. The local election official who receives this form will match this to your voter registration information.

While most States allow you to enter either your Driver's License number or the last 4 digits of your Social Security Number, some will invalidate this form without your full SSN. Check your State's pages in the Voting Assistance Guide on FVAP.gov to see if your State requires the full SSN.

Also, many States ask that you provide your race or ethnic group in order to demonstrate that they are complying with the Voting Rights Act and the National Voter Registration Act.

If there are questions about your form, local election officials will use this information to contact you. An email address is the simplest and fastest way for them to do so. Your voting materials will be sent to the email address(es) that you provide here if you request it and your State allows it. Include an alternate phone number in Box 9 if necessary.

If you want to vote in primary elections, most States require you to specify a political party.

This determines the jurisdiction where you vote. For military voters the voting address is your legal U.S. residence. For overseas citizens this is usually the U.S. address where you last lived. You do not need to have any current physical ties to this address. Do not use a post office box number. If the area has no street names, enter the route number and box number. The address you enter here must match the address you used when you requested an absentee ballot.

Enter the address where you want voting materials to be sent. Voting materials will be sent to this address unless you enter a forwarding address in Box 9.

Enter anything here that would help ensure your ballot is accepted. Indicate your preferred method for receiving future ballots: email, online download, or fax if requested. You can always get your absentee ballot by mail. Check your State's pages in the Voting Assistance Guide on FVAP.gov for anything your State may specifically require here.

Affirmation: Read this carefully. It is what you are agreeing to under oath and penalty of perjury by filling out and sending in this form. Some States require that your form be witnessed. Check your State's pages in the Voting Assistance Guide for your State's requirements.

Instructions for Official Federal Write-in Absentee Ballot

To vote, write in either a candidate's name or a political party for each office. Your State may allow you to vote in State and local elections in the Addendum section of this ballot. If you submit the FWAB and later receive your State ballot you should make every reasonable effort to inform your local election office and return your State ballot.

Some States allow you to send your Federal Write-in Absentee Ballot electronically after printing, signing and scanning.

To return by mail, fold the ballot. Put it in a blank envelope, seal the envelope, and mark it "Security Envelope." This security envelope keeps your vote private.

Put the security envelope and the Declaration/Affirmation form into a larger envelope together. Seal the larger envelope.

To send your ballot:

- For non-U.S. mailing, put the correct amount of local postage in the top right corner on the front of the large envelope.
- In the upper left corner, enter your current complete military or overseas mailing address and the election date.
- Under "To," enter the name and mailing address of the local election official to whom you are sending the packet. It must be the same local election office where you sent your request for an absentee ballot.
